Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, ‘lodgement’ has replaced ‘lodgment’). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

7O Correction of errors

- (1) This section applies if the chief executive is satisfied that an error, omission or failure to comply with this Act has happened in relation to—
- (a) a registered lien; or
 - (b) the register.
- (2) The chief executive must do everything necessary to correct the error, omission or failure.

7P Application of compensation provision

Section 7Q applies if a person suffers loss because—

- (a) a lien in relation to which an application for registration had been filed with the chief executive had not been registered; or
- (b) particulars of a lien were incorrectly entered in the register; or
- (c) a lien had been discharged incorrectly under section 7M; or
- (d) a discharge of a lien under section 7M, of which the chief executive has notice, had not been included in the register; or
- (e) the person—
 - (i) searches the register for a lien or particulars of a lien and there is an error in the register because of a negligent act or omission by the chief executive (the *incorrect information*); and
 - (ii) relies on the incorrect information contained in a printed search result.

7Q Compensation for loss

- (1) A person who suffers loss for a reason stated in section 7P may apply to the accountable officer for payment of compensation to the person.
- (2) The accountable officer may make a payment to the applicant under the *Financial Accountability Act 2009*, section 72.
- (3) The accountable officer must not make a payment in relation to a loss for a reason mentioned in section 7P(e) if the applicant, at the time of suffering the loss—
 - (a) had actual notice of the lien; or
 - (b) had been put on inquiry as to the existence of the lien and had abstained from inquiry or further inquiry when the person might reasonably have expected the inquiry or further inquiry to reveal the lien.
- (4) Compensation paid under section 7P(a), (b), (c) or (d) must not be more than, after discounting for any GST payable on any supply relating to the payment of the compensation, the lesser of the following, worked out as at the time the loss was suffered—
 - (a) the amount of the debt or other pecuniary obligation or the value of any other obligation secured by the lien;
 - (b) the value of the crop in which was held the lien in relation to which compensation was applied for.
- (5) Compensation paid under section 7P(e) must not be more than, after discounting for any GST payable on any supply relating to the payment of the compensation, the actual loss attributable to reliance by the person on the incorrect information, worked out as at the time the loss was suffered.
- (6) The accountable officer must give to the person written notice of the decision on the application and the reasons for the decision.
- (7) In this section—

accountable officer means the accountable officer of the department under the *Financial Accountability Act 2009*.

7R Chief executive to be satisfied duty has been accounted for

- (1) If an instrument or transaction relating to a lien is imposed with duty under the *Duties Act 2001*, the chief executive may deal with the lien under this Act only if the chief executive is satisfied that duty on the instrument or transaction has been paid or accounted for under that Act.
- (2) The chief executive may assume duty on the instrument or transaction has been paid or accounted for if the person asking the chief executive to deal with the lien states, in writing, that the duty has been paid or accounted for under that Act.

8 Power of lienee where lienor neglects to pay off the moneys secured by lien

- (1) If a lienor, the lienor's executors, administrators, or assigns shall neglect or refuse either to pay off the whole of the moneys secured by a lien upon such crop with interest as agreed upon as aforesaid, or to give up such crop to such lienee in pursuance of such lien, such lienee, the lienee's executors, administrators, or assigns may himself or herself or by his or her servants or agents, and upon giving notice to the owner of any sugar-mill to which the lien or supplies the crop from any land included the lands described in the lien, enter upon such land and cultivate, gather, carry away, and sell such crop or crops to the owner of such sugar-mill or to any other person in the manner and subject to the same conditions and to the same effect as the lienor could lawfully have sold the same.
- (2) However, if such lienor be a tenant then the lienee shall before carrying away any such crop pay to the landlord of the land whereon such crop shall be growing such sum of money as may be due to the landlord for rent at the time of carrying away such crop, provided that the sum so paid shall not exceed 1 year's rent.
- (3) In addition, if at the time of the registration of such lien there be in force a mortgage or a contract for the purchase by the lienor of the land whereon such crop shall be growing and the land shall at the time of harvesting be in the occupation of the

mortgagee or the vendor, such lienee shall before carrying away and selling any such crop pay to the mortgagee or to the vendor the amount of interest, not, however, exceeding 12 months interest, due upon such mortgage or such contract of sale at the time of carrying away and selling such crop.

9 Application of proceeds of sugarcane

- (1) The purchaser of any sugarcane, whether such purchaser is the owner of a mill or not, shall after production to such purchaser of any duly registered lien given over such sugarcane apply the proceeds so far as they are available of all such sugarcane so purchased in such order, and such proceeds are deemed to be charged to such extent as follows, that is to say—
 - (a) when an owner of a mill has become entitled to any costs of harvesting or other expenses incidental thereto, then in repaying such costs to such owner together with any amount which the owner may with the consent of the lienee have advanced to any person or may himself or herself otherwise than as aforesaid have paid or incurred for the purpose of harvesting such crop;
 - (b) in paying to the lienee any sum or sums paid by the lienee under section 8 to a landlord or to a mortgagee or to a vendor for rent or interest;
 - (c) unless otherwise stated in the instrument creating the lien, in paying to the lienee any amount paid or incurred for wages or otherwise by the lienee in cultivating or harvesting and carrying away the sugarcane covered by the lienee's lien;
 - (d) when the purchaser is the owner of a mill, in paying the fees or charges as such owner may lawfully deduct from such proceeds;
 - (e) in paying to the lienee any amount due and owing to such lienee for any moneys secured by such lien;
 - (f) however, where a lien is given to the extent of a stated percentage of the proceeds of a crop of sugarcane or a stated amount per ton of such crop, then such purchaser

shall under this subsection pay to such lienee such stated percentage only of such proceeds as are available from time to time, or such amount on each ton of cane so realised, as the case may be, towards the satisfaction of the principal moneys and interest secured by the said lien;

- (g) in paying to any second or subsequent lienee in like manner as aforesaid, and in order of the priority of the registration of their respective liens any moneys paid by such lienee for rent or interest under this Act and any amount paid or incurred for wages or otherwise for cultivating or harvesting and carrying away such sugarcane, and any moneys secured by such liens.
- (2) However, where the sugarcane is harvested by the lienor the purchaser may, if so requested by the lienor, and with the consent of the lienee or the lienee's agent, endorsed upon the instrument creating the lien, advance to the lienor such amount as may reasonably be necessary for payment by the lienor of wages due and payable by the lienor to any employees for harvesting any sugarcane covered by the lien.
- (3) Subject to subsections (1) and (2) and subject to any equities affecting such proceeds of which such purchaser shall have had notice, such purchaser shall pay the proceeds of such sugarcane to the lienor.

11 Further provisions regarding liens

Where a lien is given to secure the payment with or without interest of purchase money under an agreement of sale of the land upon which the crop or crops given as security is or are growing or to grow, or to secure the payment with or without interest of a debt owing under a mortgage of such land, or to secure any rent or royalty payable under a lease of such land and where such lien shall contain as a schedule thereto or embodied therein a true copy of such agreement for sale or such mortgage or lease, such lien may be given over the crop or crops growing or to grow on the said land in any year or in any year and any subsequent year or years, but such lien shall not continue in force longer than that period specified in the

instrument of lien as being the period for which the lien is to continue in force unless renewed under section 7.

12 Provisions as to priority where 2 or more liens given

- (1) Where 2 or more liens given by way of collateral security to mortgages over the same land shall be renewed they shall take effect as between themselves in the same order of priority as such mortgages and not in the order of the registration of such liens, but no lien given to secure purchase money with or without interest under any agreement of sale, or given as collateral security to a second or subsequent mortgage, or given to secure any rent or royalty payable under a lease shall be renewed after a prior vendor mortgagee or lessor has lawfully entered into possession of such land, unless at the time of the renewal of such lien there shall be filed a written consent thereto signed by such prior vendor or mortgagee or lessor.
- (2) However, subsection (1) does not affect the priority of a lien whose registration is renewed because of section 13(1).

13 Effect of harvesting crop on lien

- (1) A lien over a crop that, when the lien expires, has not been fully harvested, may be renewed under section 7.
- (2) However, if the crop covered by a lien is fully harvested when the lien expires under section 7B, it is not necessary to renew the lien for the lien to remain effective against the proceeds of the crop.

15 Liens not affected by sale etc. of land

No lien given in good faith and for valuable consideration and duly registered shall be extinguished or otherwise prejudicially affected by any sale, assignment, partition, lease, agreement for a lease, mortgage, or encumbrance of or other dealing with the land on which any such crop may be growing or shall be grown, or by the surrender of any lease, or by the death of the lienor, or by any re-entry or foreclosure by any

vendor, lessor, mortgagee, or encumbrancee or other person than a lienee entitled thereto under this Act.

17 Notice of lien to be given to mill owner

- (1) This section applies if—
 - (a) a lienee holds a lien over a crop that is growing, or will be grown; and
 - (b) the lien is registered; and
 - (c) the lienee after the registration, or the renewal, transfer or assignment of the registration, gives to the owner of the mill a certified printed search result relating to the registration, renewal, transfer or assignment.
- (2) The lienee or the assignee under the lien is entitled to be paid from the proceeds of the crop then next available the amount secured by the lien to the extent the proceeds allow.
- (3) If the lien is discharged, the lienee must give to the owner of the mill a certified printed search result relating to the discharge of the registration as soon as possible after the discharge is registered.
- (4) The owner of the mill is not affected by the registration, renewal, assignment, transfer or discharge of the lien until a certified printed search result relating to the registration, renewal, assignment, transfer or discharge is given to the owner by the lienee.
- (5) In this section—

assignee includes a transferee.

23 Relationship of other Acts to liens under this Act

To remove any doubt, it is declared that a lien under this Act is not a bill of sale under the *Bills of Sale and Other Instruments Act 1955*.

23A False or misleading statements

- (1) A person must not state anything to an official the person knows is false or misleading in a material particular.

Maximum penalty—50 penalty units or 1 year's imprisonment.

- (2) It is enough for a complaint for an offence against subsection (1) to state the statement made was 'false or misleading' to the person's knowledge, without stating which.

23B False or misleading documents

- (1) A person must not give an official a document containing information the person knows is false or misleading in a material particular.

Maximum penalty—50 penalty units or 1 year's imprisonment.

- (2) Subsection (1) does not apply to a person if the person, when giving the document—

(a) tells the official, to the best of the person's ability, how it is false, misleading or incomplete; and

(b) if the person has, or can reasonably obtain, the correct information—gives the correct information.

- (3) It is enough for a complaint for an offence against subsection (1) to state the document was 'false or misleading' to the person's knowledge, without stating which.

23C Protection from liability

- (1) An official does not incur civil liability for an act done, or omission made, honestly and without negligence under this Act.

- (2) If subsection (1) prevents a civil liability attaching to an official, liability attaches instead to the State.

23D Delegations

(1) The chief executive may delegate the chief executive's powers under this Act to an appropriately qualified public service employee.

(2) In this section—

appropriately qualified, for a person to whom a power under this Act may be delegated, includes having the qualifications, experience or standing appropriate to exercise the power.

Example of standing—

a person's classification level in the public service

23E Arrangements for fees

(1) A person may apply to the chief executive for approval of an arrangement for the payment of fees under this Act.

Example—

An arrangement may be for the payment of fees in advance or in arrears.

(2) The application must be—

(a) in writing stating the particulars of the proposed arrangement; and

(b) accompanied by the fee that may be prescribed under a regulation.

(3) If the chief executive approves the proposed arrangement, the person may pay fees under this Act in accordance with the arrangement.

24 Validation

(1) It is declared that anything done between 23 April 1999 and 7 May 1999 that would have been validly done or effectual under this Act, had the amending Act commenced on 23 April 1999, is and always was as valid and effectual as if the amending Act had commenced on 23 April 1999.
