* Minor differences in presentation between this reprint and another reprint with the same number are due to the conversion to new styles. The content has not changed.

Information about this reprint

This Act is reprinted as at 7 December 1995. The reprint shows the law as amended by all amendments that commenced on or before that day (Reprints Act 1992 s 5(c)).

The reprint includes a reference to the law by which each amendment was made—see list of legislation and list of annotations in endnotes. Also see list of legislation for any uncommenced amendments.

Minor editorial changes allowed under the provisions of the Reprints Act 1992 mentioned in the following list have also been made to—

- relocate marginal or cite notes (s 34)
- use aspects of format and printing style consistent with current drafting practice (s 35)
- omit provisions that are no longer required (s 40)
- omit the enacting words (s 42A).

Also see endnotes for information about when provisions commenced.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, hard copy and electronic, are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If a hard copy reprint is dated earlier than an electronic version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of a hard copy reprint is the same as the date shown for an electronic version previously published, it merely means that the electronic version was published before the hard copy version. Also, any revised edition of the previously published electronic version will have the same date as that version.

Replacement reprint date If the date of a hard copy reprint is the same as the date shown on another hard copy reprint it means that one is the replacement of the other.

Drugs Standard Adopting Act 1976

[as amended by all amendments that commenced on or before 7 December 1995]

An Act to amend the law relating to the adoption of the British pharmacopoeia in Queensland and to provide for the adoption of the British pharmaceutical codex and the British veterinary codex in Queensland, and for other purposes

1 Short title

This Act may be cited as the *Drugs Standard Adopting Act 1976*.

3 Definitions

In this Act—

British pharmaceutical codex means the book called the British pharmaceutical codex published under the direction of the council of the Pharmaceutical Society of Great Britain.

British pharmacopoeia means the book called the British pharmacopoeia published under the *Medicines Act 1968* (UK) on the recommendation of the Medicines Commission.

British veterinary codex means the book called the British veterinary codex published under the direction of the council of the Pharmaceutical Society of Great Britain.

current British pharmaceutical codex means the latest edition of the British pharmaceutical codex that has effect for this Act, as added to and amended by additions and amendments that have taken effect for this Act.

current British pharmacopoeia means the latest edition of the British pharmacopoeia that has effect for this Act, as added to or amended by additions and amendments that have taken effect for this Act.

current British veterinary codex means the latest edition of the British veterinary codex that has effect for this Act, as added to or amended by additions and amendments that have taken effect for this Act.

4 Adoption of codices and pharmacopoeia

- (1) The current British pharmaceutical codex and veterinary codex are the codices in force in Queensland.
- (2) The current British pharmacopoeia is the pharmacopoeia in force in Queensland.

5 Editions of codices and pharmacopoeia etc. having effect for Act

- (1) A regulation may declare that an edition of the British pharmaceutical codex, pharmacopoeia or veterinary codex has effect for this Act.
- (2) A regulation may declare that an addition to, or amendment of, a codex or the pharmacopoeia has effect for this Act.

6 Prescribing standards for substances and article sets

- (1) A regulation may prescribe the standard for this Act of a substance or article, including a substance or article the subject of a monograph in the current British pharmaceutical codex, pharmacopoeia or veterinary codex.
- (2) The standard may be prescribed in any way, including by reference to, for example, composition, method of preparation, potency, quality, quantity, stability, sterility and strength.
- (3) A regulation may prescribe tests for the standard.

7 Changes to monographs

- (1) A regulation may prescribe changes to a monograph in the current British pharmaceutical codex, pharmacopoeia or veterinary codex.

- (2) In an Act, a reference to the monograph may, if the context permits, be taken to be a reference to the monograph as changed under a regulation.

8 Regulation making power

The Governor in Council may make regulations under this Act.
