- (d) if a security held by SBSA or a SBSA subsidiary is referable to a transferred asset or liability, then, so far as it is referable to the transferred asset or liability—

- (i) the security is available to BSAL as security for the discharge of the liabilities to which it relates including, where the security extends to future liabilities, any such liabilities incurred after the transfer; and
  - (ii) BSAL is entitled to the same rights and priorities and subject to the same liabilities in relation to the security as those to which SBSA or the SBSA subsidiary would have been entitled or subject if there had been no transfer;
- (e) BSAL is entitled to possession of all documents to which SBSA or a SBSA subsidiary was entitled immediately before the transfer took effect that are entirely referable to a transferred asset or liability and is entitled to access to, and copies of, all documents that are referable to both a transferred asset or liability and any other asset or liability that is not transferred;
- (f) a negotiable instrument or order for payment drawn by or on, or accepted or endorsed by SBSA, is (if SBSA's liability under the instrument or order is a transferred liability) payable by BSAL in the same way as if it had been drawn by or on, or accepted or endorsed (as the case may be) by BSAL;

- (i) if a transferred asset consists of rights to the possession or use of property under a lease or other agreement, BSAL may exercise those rights without giving rise to any liability on the part of the body corporate from which the asset was transferred for parting with possession of the property, or permitting the possession
