Plant Protection (Myrtle Rust) Quarantine Notice 2010

Reprinted as in force on 6 October 2010

**Warning—this document has been released in unauthorised
electronic form only**

Reprint No. 0A

This reprint is prepared by
the Office of the Queensland Parliamentary Counsel
Warning—This reprint is not an authorised copy

NOT FURTHER AMENDED
LAST REPRINT BEFORE REPEAL
Expired 1989 No. 14 s 11(9)(a)

Information about this reprint

This notice is reprinted as at 6 October 2010.

This page is specific to this reprint. A table of reprints is included in the endnotes.

Also see endnotes for information about when provisions commenced.

Spelling

The spelling of certain words or phrases may be inconsistent in this reprint or with other reprints because of changes made in various editions of the Macquarie Dictionary (for example, in the dictionary, 'lodgement' has replaced 'lodgment'). Variations of spelling will be updated in the next authorised reprint.

Dates shown on reprints

Reprints dated at last amendment All reprints produced on or after 1 July 2002, authorised (that is, hard copy) and unauthorised (that is, electronic), are dated as at the last date of amendment. Previously reprints were dated as at the date of publication. If an authorised reprint is dated earlier than an unauthorised version published before 1 July 2002, it means the legislation was not further amended and the reprint date is the commencement of the last amendment.

If the date of an authorised reprint is the same as the date shown for an unauthorised version previously published, it merely means that the unauthorised version was published before the authorised version. Also, any revised edition of the previously published unauthorised version will have the same date as that version.

Replacement reprint date If the date of an authorised reprint is the same as the date shown on another authorised reprint it means that one is the replacement of the other.

Plant Protection (Myrtle Rust) Quarantine Notice 2010

[reprinted as in force on 6 October 2010]

1 Short title

This notice may be cited as the *Plant Protection (Myrtle Rust) Quarantine Notice 2010*.

Note—

Under section 11(9) of the Act, this notice remains in force until whichever of the following first happens—

- (a) the commencement into effect of a regulation under section 11(1) of the Act in relation to the same matter;
- (b) the end of 3 months.

2 Definitions

In this notice—

myrtle rust means rust, as described in the *Plant Protection Regulation 2002*, schedule 1, part 2, under the heading ‘C. Disorders’, caused by *Uredo rangelii*.

pest quarantine area means the pest quarantine area declared under section 3.

3 Declaration of pest quarantine area

The whole of Queensland is declared to be a pest quarantine area for myrtle rust.

4 Objects of quarantine

The objects of the quarantine for the pest quarantine area are—

[s 5]

- (a) to prevent the introduction of myrtle rust into the pest quarantine area; and
- (b) to prevent or control the spread of myrtle rust in the pest quarantine area; and
- (c) to prevent or control pest infestations of myrtle rust in the pest quarantine area.

5 Restriction on introduction

- (1) A person must not, without an inspector's approval, introduce into the pest quarantine area—
 - (a) myrtle rust; or
 - (b) a Myrtaceae plant grown in or despatched from another State in which myrtle rust has been detected; or
 - (c) an appliance that has been in contact with a Myrtaceae plant mentioned in paragraph (b).
- (2) An inspector may give an approval, with or without conditions, for the introduction of a thing mentioned in subsection (1)(b) or (c) only if the inspector is satisfied the introduction of the thing will not pose a significant risk of spreading myrtle rust in the pest quarantine area.
- (3) In this section—

Myrtaceae plant means a plant of the family Myrtaceae.

Note—

Under the Act, schedule 2—

plant means a member of the plant kingdom and includes the seed or seedling of or a part of a plant, whether living or dead and whether attached to a plant but does not include timber in service.

Examples of a part of a plant—

flower, foliage, fruit, germplasm, pollen, tissue culture
