Gold Coast Waterways Authority Regulation 2012

Part 1 Preliminary

1 Short title

This regulation may be cited as the *Gold Coast Waterways Authority Regulation 2012*.

Part 2 Marina owner levy

1A Rounding of amounts expressed as numbers of fee units

- (1) This section applies for working out the amount of an annual levy expressed in this part as a number of fee units.
- (2) For the purposes of the *Acts Interpretation Act 1954*, section 48C(3), the amount is to be rounded to the nearest multiple of 5 cents (rounding one-half upwards).

Example—

If a fee were 35 fee units and the value of a fee unit were \$1.015, the number of dollars obtained by multiplying 35 by \$1.015 would be \$35.525. Because \$35.525 is halfway between \$35.50 and \$35.55, it is rounded upwards, so the amount of the fee would be \$35.55.

2 Marina owner levy—Act, s 42

- (1) The annual levy payable by the owner of a marina under section 42 of the Act is the total of the amounts payable for each berth at the marina worked out under subsection (2).
- (2) For subsection (1), the amount payable for each berth is as follows—

- (a) if the berth is not more than 12m in length— 242.25 fee units;
 - (b) if the berth is more than 12m but not more than 18m in length—258.40 fee units;
 - (c) if the berth is more than 18m in length—289.20 fee units.
- (3) A reference in subsection (2) to the length of a berth is a reference to its length as at 31 December immediately before the levy is to be paid.

Part 3 Assets, liabilities and contracts transferred to the Gold Coast Waterways Authority

3 Approval of register of assets and liabilities—Act, s 78

For section 78(2) of the Act, the register of assets and liabilities prepared by the Minister under section 78(1) of the Act and signed by the Minister on 21 March 2013 is approved.

Note—

The register of assets and liabilities includes the register of assets and liabilities of the State signed by the Minister on 30 October 2012 and approved under this section on 14 December 2012.

4 State contracts novated to the Authority—Act, s 80

For section 80(1) of the Act, the contracts identified in schedule 1 are prescribed.

Schedule 1 State contracts novated to the Authority
