Aboriginal Land Act 1991

An Act providing for the grant, and the claim and grant, of land as Aboriginal land, and for other purposes

Preamble

Whereas—

- 1 Before European settlement land in what is now the State of Queensland had been occupied, used and enjoyed since time immemorial by Aboriginal people in accordance with Aboriginal tradition.
- 2 Land is of spiritual, social, historical, cultural and economic importance to Aboriginal people.
- 3 After European settlement many Aboriginal people were dispossessed and dispersed.
- 4 Some Aboriginal people have maintained their ancestors' traditional affiliation with particular areas of land.
- 5 Some Aboriginal people have a historical association with particular areas of land based on them or their ancestors having lived on or used the land or neighbouring land.
- 6 Some Aboriginal people have a requirement for land to ensure their economic or cultural viability.
- 7 Some land has been set aside for Aboriginal reserves or for the benefit of Aboriginal people and deeds of grant in trust are held on behalf of certain Aboriginal people.
- 8 The Parliament is satisfied that Aboriginal interests and responsibilities in relation to land have not been adequately and appropriately recognised by the law and that this has contributed to a general failure of previous policies in relation to Aboriginal people.
- 9 The Parliament is further satisfied that special measures need to be enacted for the purpose of securing adequate advancement of the interests and responsibilities of Aboriginal people in Queensland and to rectify the consequences of past injustices.
- 10 It is, therefore, the intention of the Parliament to make provision, by the special measures enacted by this Act, for the adequate and appropriate recognition of the interests and responsibilities of Aboriginal people in relation to land and thereby to foster the capacity for self-development, and the

self-reliance and cultural integrity, of the Aboriginal people of Queensland.

- (3) If the eligible person refuses the offer, the trustee must give notice about the refusal to the chief executive.

32V Cooling-off period to apply to acceptance

- (1) A *cooling-off period*, for accepting an offer, is a period of 5 business days—

- (3) An eligible person who has not waived the cooling-off period for accepting an offer may rescind or revoke the acceptance by giving a signed notice of rescission or revocation to the trustee at any time during—
 - (a) the cooling-off period; or
 - (b) if the period has been shortened under subsection (2)(b), the shortened period.
- (4) If the acceptance is rescinded or revoked under subsection (3), the trustee must, within 14 days, refund any deposit paid under the acceptance to the eligible person.
- (5) An amount payable to the eligible person under subsection (4) is recoverable from the trustee as a debt.

32W When offer ends

An offer ends when the first of the following happens—

32X Allocation of available land to eligible person

- (1) After complying with all conditions of the offer, the eligible person must give notice to the trustee.
- (2) If, after receiving the notice, the trustee is reasonably satisfied the eligible person has complied with all conditions of the offer, the trustee must allocate the available land to the eligible person.

Note—

Available land may be granted in freehold to an eligible person who is allocated the available land. See section 32C.

Division 6 Allocation process for available land if no interest holder

Division 7 Miscellaneous

32ZH Continuation of mortgages and easements

A deed of grant for available land approved to be granted in fee simple under section 32C is subject to all registered mortgages and easements to which the available land was subject immediately before it was granted, and in the same priorities.

32ZI Cancellation of deeds of grant in trust, reserves etc.

- (1) This section applies if—
 - (a) available land is subject to any of the following (each an *old tenure*) when the trustee for the land applies for the land to be granted in fee simple under section 32C—
 - (i) a deed of grant in trust;
 - (ii) a reserve dedicated under the Land Act;
 - (iii) a townsite lease;
 - (iv) an interest mentioned in section 32B, definition *interest holder*; and

[s 33]

- (b) a deed of grant in fee simple (a *new tenure*) for the available land is registered.
- (2) The old tenure is cancelled to the extent of the new tenure.

Part 3 Formal expression of interest about land

33 Purpose of pt 3

The purpose of this part is to provide for a process under which Aboriginal people may formally express an interest to the chief executive in having particular land made transferable land.

34 Land to which pt 3 applies

This part applies to the following land—

- (a) available State land;
- (b) land dedicated as a reserve under the Land Act;
- (c) a stock route;
- (d) land subject to an occupation licence;
- (e) land held under a lease under the Land Act by or for Aboriginal people.

35 Expression of interest in having land made transferable land

- (1) Aboriginal people particularly concerned with land mentioned in section 34 may, by notice given to the chief executive (an *expression of interest*), express an interest in having the land made transferable land.
- (2) The expression of interest must—
 - (a) be in the approved form; and

- (b) include the details required in the approved form to enable the chief executive to properly consider the expression of interest.

36 Chief executive to consider expression of interest

- (1) The chief executive must consider each expression of interest.
- (2) Without limiting subsection (1), the chief executive may consider an expression of interest by evaluating the land to which it relates under the Land Act, section 16.

37 Consideration of expression of interest does not impose obligation on State

The chief executive's consideration of an expression of interest does not impose an obligation on the State under this Act to make the land to which it relates transferable land.

Part 4 Grant of transferable land as Aboriginal land

Division 1 Grant of land

38 Deeds of grant to be prepared

- (1) The chief executive must prepare such deeds of grant in fee simple as the Minister considers necessary and directs over transferable lands.
- (2) Transferable land need not be surveyed but may be described in a deed of grant in such manner as the Minister directs.
- (3) The deed of grant must show that the land is held by the grantee—
 - (a) if the grantee is a registered native title body corporate appointed as the grantee under section 39—for the native title holders of the land; or

- (b) otherwise—
 - (i) for the benefit of Aboriginal people particularly concerned with the land and their ancestors and descendants; or
 - (ii) if the land is prescribed DOGIT land that is to be held for the benefit of Aboriginal people and Torres Strait Islanders particularly concerned with the land—for the benefit of Aboriginal people and Torres Strait Islanders particularly concerned with the land, and their ancestors and descendants.
- (4) If the grantee is a registered native title body corporate appointed under section 39, the deed of grant also must include information to identify the native title holders of the land.
- (5) Subsections (2), (3) and (4) have effect despite any other Act or any rule of law or practice.

39 Appointment of registered native title body corporate as grantee to hold land for native title holders

- (1) This section applies to transferable land if—
 - (a) under the Commonwealth Native Title Act, a determination has been made that native title exists in relation to all or a part of the land; and
 - (b) there is a registered native title body corporate for the determination.
- (2) The Minister may, with the consent of the registered native title body corporate, appoint the body corporate to be the grantee of the land under a deed of grant prepared under section 38.
- (3) If the Minister appoints the registered native title body corporate to be the grantee of the land under this section, the body corporate holds the land for the native title holders of the land the subject of the determination mentioned in subsection (1)(a).

-
- (4) In considering whether to appoint a registered native title body corporate under this section, the Minister may have regard to any matter the Minister considers relevant to the proposed appointment, including, for example—
- (a) whether the making of the proposed appointment was a matter relevant to the native title claim under the Commonwealth Native Title Act that resulted in the determination that native title existed in relation to all or a part of the land; and
 - (b) whether any Aboriginal people particularly concerned with the land, other than the native title holders of the land, may be adversely affected by the proposed appointment; and
 - (c) if the Minister is satisfied Aboriginal people particularly concerned with the land will be adversely affected by the proposed appointment—any action the registered native title body corporate intends to take to address the concerns of the Aboriginal people.

40 Appointment of grantee to hold land for benefit of Aboriginal people

- (1) This section applies if the Minister does not appoint, under section 39, a registered native title body corporate as the grantee of land.
- (2) The Minister may appoint as grantee of the land—
 - (a) a CATSI corporation that is qualified to hold the land; or
 - (b) a land trust.
- (3) However, the Minister may appoint a CATSI corporation that is a registered native title body corporate as the grantee of the land under subsection (2) only if—
 - (a) under the Commonwealth Native Title Act, a determination has been made that native title exists in relation to all or a part of the land and the CATSI corporation is the registered native title body corporate for the determination; or

- (b) a determination has not been made under the Commonwealth Native Title Act that native title exists in relation to all or a part of the land, but the Minister is satisfied it is appropriate in all the circumstances to appoint the CATSI corporation as the grantee of the land.

Examples of when it is appropriate to appoint the CATSI corporation as the grantee of the land—

- 1 The appointment of the CATSI corporation is supported by consultation with Aboriginal people particularly concerned with the land.
 - 2 The land is within the external boundaries of an area of land the subject of a native title determination and the CATSI corporation is the registered native title body corporate for the determination.
 - 3 An ILUA has been entered into for the land and the CATSI corporation is nominated in the ILUA as the proposed grantee for the land under this Act.
 - 4 Anthropological research supports the CATSI corporation as being the appropriate grantee.
- (4) Before making the appointment, the Minister must consult with, and consider the views of, Aboriginal people particularly concerned with the land.
- (5) Subsection (4) does not apply if an ILUA has been entered into for the land and the entity is nominated in the ILUA as the proposed grantee for the land under this Act.
- (6) However, in considering whether to appoint an entity nominated in an ILUA as the proposed grantee for the land, the Minister may have regard to any matter the Minister considers relevant to the proposed appointment, including, for example—
- (a) whether any Aboriginal people particularly concerned with the land may be adversely affected by the appointment; and
 - (b) if the Minister is satisfied any Aboriginal people particularly concerned with the land will be adversely affected by the appointment—any action the entity

intends to take to address the concerns of the Aboriginal people.

- (7) Also, in considering whether to appoint a registered native title body corporate as the proposed grantee for the land, the Minister may have regard to any matter the Minister considers relevant to the proposed appointment, including, for example, the matters mentioned in section 39(4)(b) and (c).
- (8) In appointing a grantee of land under this section, the Minister must have regard to any Aboriginal tradition applicable to the land.

41 Procedure for appointing particular grantee

- (1) Before appointing a grantee of land under this part, other than an entity nominated in an ILUA as the proposed grantee for the land, the Minister must—
 - (a) publish notice of the Minister’s intention to appoint the grantee in a newspaper or other publication circulating generally in the area in which the land the subject of the deed of grant is situated; and
 - (b) consider all representations made to the Minister under subsection (4).
- (2) The notice must—
 - (a) include a description of the land; and
 - (b) state the following—
 - (i) the name of the proposed grantee;
 - (ii) that an Aboriginal person particularly concerned with the land may make written representations to the Minister about the proposed appointment;
 - (iii) the place where the representations may be made;
 - (iv) the period in which the representations must be made.
- (3) The stated period must end at least 28 days after the notice is published.

- (4) An Aboriginal person particularly concerned with the land may make written representations about the proposed appointment to the Minister within the stated period.

42 Minister to act as soon as possible

- (1) The Minister must, as soon as practicable after the commencement of sections 38 and 40, give all necessary directions under section 38, and make all necessary appointments under section 39 or 40, in relation to land that is transferable land on the enactment day.
- (2) If, under section 10(1)(c) or 12, land becomes transferable land after the enactment day, the Minister must, as soon as practicable after the land becomes transferable land, give all necessary directions under section 38, and make all necessary appointments under section 39 or 40, in relation to the land.
- (3) However, the Minister need not act as mentioned in subsections (1) and (2) in relation to land until the Minister is reasonably satisfied—
 - (a) arrangements are in place to ensure—
 - (i) the Commonwealth and the State can continue to provide services to communities on the land after it is granted; and
 - (ii) the local government for the area in which the land is situated can continue to provide local government services to communities on the land after it is granted; and

Example of an arrangement for paragraph (a)—

a lease

- (b) if the land is proposed to be granted to an entity other than a registered native title body corporate, arrangements that the Minister considers necessary—
 - (i) to support use of the land by Aboriginal people particularly concerned with it; and

- (ii) to ensure appropriate services, including, for example, social housing, public works and community infrastructure, can be provided for communities on the land;

are in place to deal with matters relevant to the use of the land after it is granted; and

Example of an arrangement for paragraph (b)—
an ILUA

- (c) if the land is or includes township land, arrangements are in place to provide for—
 - (i) the land to continue to be used as township land; and
 - (ii) residents of the township land to continue to live on and access the land, and obtain tenure over the land under this Act.

Examples of an arrangement for paragraph (c)—
an ILUA, a townsite lease or another lease

- (4) In this section—

local government services includes any services a local government might ordinarily provide for the community in its local government area.

43 Authority to grant fee simple in transferable land

The Governor in Council may, under this Act and the Land Act, grant transferable land in fee simple.

44 Deed of grant takes effect on delivery

- (1) A deed of grant prepared under this division takes effect on the delivery of the deed of grant to the grantee.
- (2) On delivery of the deed of grant to the grantee, the land the subject of the deed becomes Aboriginal land that is transferred land.

- (3) Subsection (1) has effect despite any other Act or any rule of law or practice.

45 Existing interests

- (1) If transferable land was, immediately before becoming Aboriginal land under this division, subject to an interest or benefited by an easement, the interest continues in force or the land continues to be benefited by the easement.
- (2) Without limiting subsection (1), if transferable land was, immediately before becoming Aboriginal land under this division, the subject of—
 - (a) a 1985 Act granted lease or a new Act granted lease under the new Land Holding Act; or
 - (b) a lease under the Land Act; or
 - (c) a trustee (Aboriginal) lease;the trustee of the land is, by operation of this section, substituted for the lessor as a party to the lease.
- (3) The terms of a lease mentioned in subsection (2) are not affected by the operation of this section or any other provision of this Act and, for the purposes of those terms, the Land Act continues to apply to a lease under that Act, with all necessary modifications and such modifications as are prescribed, as if the lease continued to be such a lease and the trustee of the land were the lessor.
- (4) However, subsections (5) to (5B) apply if, under an available State land agreement—
 - (a) an interest in transferable land (the *previous interest*) ends on the grant of the land under this part; and
 - (b) a new interest granted by the trustee of the land is to have effect in substitution for the previous interest on the grant of the land.
- (5) Despite subsections (1) to (3), the previous interest ends on the grant of the land.

-
- (5A) However, if the previous interest was a lease under the Land Act (the *previous lease*) and the interest that is to have effect in substitution for the previous lease is a lease under the Land Title Act (the *new lease*)—
- (a) despite section 25(3) and the available State land agreement, the previous lease does not end until the new lease is registered in the freehold land register; and
 - (b) the lessee of the new lease must lodge the new lease for registration in the freehold land register immediately after the grant of the land; and
 - (c) if a sublease was in force under the previous lease immediately before the grant of the land, on the grant of the land the sublease continues under the new lease; and
 - (d) subject to paragraph (e) and subsection (5B), the new lease must be registered in the freehold land register subject to the same encumbrances to which the previous lease was subject, and in the same priorities, as recorded in the appropriate register immediately before the grant of the land; and
 - (e) any particulars recorded in the appropriate register for the previous lease immediately before the grant of the land must be recorded in the freehold land register for the land, to the extent the particulars are relevant to the land.
- (5B) If an easement that burdened the previous lease was in existence immediately before the grant of the land, on the grant of the land the easement—
- (a) continues in existence, despite the Land Act, section 372; and
 - (b) burdens the land the subject of the new lease; and
 - (c) is taken to have been registered under the Land Title Act, part 6, division 4.
- (6) Subsection (5) applies despite any other Act.
- (7) In this section—

interest includes—

- (a) native title; and
- (b) a right of a local government to access, occupy, use or maintain a facility on the land; and
- (c) an interest in favour of the State or Commonwealth other than an interest that is not registered.

45A Existing interests held by local government

- (1) This section applies if a local government has an existing interest under section 45 to access, occupy, use or maintain a facility on Aboriginal land.
- (2) If the local government does not intend to continue to access, occupy, use or maintain the facility, the local government must give the trustee of the land notice of that fact.
- (3) If subsection (2) does not apply, the local government and the trustee of the land must use their best endeavours to provide for the continued access, occupation, use or maintenance of the facility under a registered interest in the land given by the trustee of the land.

47 Cancellation of deed of grant in trust

- (1) This section applies if a deed of grant (the *new deed*) over all or part of the land comprised in a deed of grant in trust takes effect under section 44.
- (2) The deed of grant in trust is cancelled to the extent of the new deed.

49 Land Court may resolve difficulties

- (1) If a difficulty arises in—
 - (a) the application of this division to a particular matter; or
 - (b) the application, to a particular matter, of a provision of another Act because of the operation of this division;

the Land Court may, on the application of the chief executive or an interested person, make such order as it considers proper to resolve the difficulty.

- (2) An order made under subsection (1) has effect despite anything contained in this division or in an Act in force immediately before the commencement of this section.

Division 2 Approvals to change how land is held

50 Application to hold Aboriginal land for native title holders

- (1) This section applies if—
 - (a) a CATSI corporation that is the trustee of Aboriginal land becomes a registered native title body corporate after it became the trustee of the land; and
 - (b) under the Commonwealth Native Title Act, a determination has been made that native title exists in relation to all or a part of the land; and
 - (c) the registered native title body corporate is registered on the National Native Title Register for the determination.
- (2) The registered native title body corporate may apply to the Minister in the approved form for an approval to hold the land under this Act for the native title holders of the land.

51 Decision on application

- (1) The Minister must consider an application made under section 50 and decide—
 - (a) to give the approval; or
 - (b) to refuse the application.
- (2) In considering the application, the Minister must have regard to—

[s 52]

- (a) whether any Aboriginal people particularly concerned with the land, other than native title holders of the land, may be adversely affected by the approval; and
 - (b) if the Minister is satisfied Aboriginal people particularly concerned with the land will be adversely affected by the approval—any action the registered native title body corporate intends to take to address the concerns of the Aboriginal people.
- (3) The Minister may give the approval only if, having regard to the matters mentioned in subsection (2), the Minister is satisfied it is appropriate in the circumstances to give the approval.

52 Notices about decision

- (1) The Minister must give the registered native title body corporate notice of the Minister's decision under section 51.
- (2) If the Minister gives the approval, the chief executive must notify the approval by gazette notice.
- (3) The gazette notice must—
 - (a) state the name of the registered native title body corporate; and
 - (b) include a description of the Aboriginal land held by it that relates to the approval.
- (4) As soon as practicable after the gazette notice is published, the chief executive must give the registrar of titles notice of the approval.
- (5) The notice must include a description of the Aboriginal land held by the registered native title body corporate for the native title holders of the land.
- (6) On receiving the notice, the registrar must record in the freehold land register that the land is held under this Act by the registered native title body corporate for the native title holders of the land.
- (7) In this section—

description, in relation to land, means the description of the land as shown in the freehold land register.

53 Effect of gazette notice

On publication of the gazette notice, the registered native title body corporate is taken to hold the land under this Act for the native title holders of the land.

Division 3 Reservations

54 Resource reservations under resource Acts

A deed of grant of transferred land must contain the reservations to the State taken to be contained in the grant under the following—

- the *Geothermal Energy Act 2010*, section 29
- the *Greenhouse Gas Storage Act 2009*, section 28
- the *Mineral Resources Act 1989*, section 8
- the *Petroleum Act 1923*, section 10
- the *Petroleum and Gas (Production and Safety) Act 2004*, section 27.

55 Reservations of forest products and quarry material etc.

- (1) A deed of grant of transferred land may contain a reservation to the State of forest products or quarry material above, on or below the surface of the land only if the Minister declares that—
- (a) the forest products or quarry material is of vital State interest; and
 - (b) the rights in the forest products or quarry material are reserved to the State.

[s 56]

- (2) If a deed of grant of transferred land does not contain a reservation of particular forest products or quarry material above, on or below the land, the Minister may declare that—
 - (a) the forest products or quarry material are of vital State interest; and
 - (b) rights in the forest products or quarry material are acquired by the State.
- (3) If the Minister makes a declaration under subsection (1) or (2), the trustee of the land is entitled to be paid by the State such reasonable compensation because of the reservation or acquisition as is agreed between the State and the trustee or, failing agreement, as is determined by the Land Court.
- (4) Despite subsection (1), a permit, lease, licence, agreement or contract granted or made under the *Forestry Act 1959*, before the day on which land became transferred land, in relation to the getting and selling of forest products or quarry material above, on or below the surface of the land, continues in force as if this section had not been enacted.

Part 5 Claims for claimable land

Note—

The time for making a claim ended on 22 December 2006.

Division 2 Determination of claims

61 Deciding whether claim duly made

- (1) If a claim is made to the chief executive, the chief executive must decide whether the claim appears to be duly made.
- (2) If the chief executive is satisfied that the claim appears to be duly made, the chief executive must accept the application and refer the claim to the Land Tribunal.
- (3) If the chief executive is not satisfied, the chief executive must refuse to accept the application.
- (4) The chief executive must notify the claimants, in writing, of his or her decision.
- (5) If the chief executive refuses to accept the application, the chief executive must also notify the claimants, in writing, of his or her reasons for refusing to accept the application.

- (7) If the chairperson decides that the claim is duly made, the chairperson must direct the chief executive to accept the application under subsection (2).
- (8) If the chairperson decides that a claim is not duly made, the chairperson must notify the claimants, in writing, of his or her reasons for refusing to accept the application.
- (9) Despite subsection (1), if a recommendation has been made to the Minister under section 71 for a grant in fee simple, another claim may not be duly made over the same land.

-
- (10) Nothing in this section prevents the chief executive from accepting an application if—
- (a) a claim (the *repeat claim*) has been made to the chief executive under section 59 and it appears to the chief executive that the land to which the claim relates is completely or partly the same as land that has previously been claimed (the *previous claim*); and
 - (b) no recommendation was made to the Minister under section 71 about the previous claim.

62 Tribunal to notify making of claims

- (1) As soon as practicable after a claim is referred to the Land Tribunal, the tribunal must comply with this section.
- (2) The tribunal must cause copies of the application to be made available for public inspection at offices of the tribunal during ordinary working hours and at such other places as it considers appropriate.
- (3) The tribunal must publish notice of the claim in the gazette, a newspaper circulating throughout the State and such regional newspapers as the tribunal considers appropriate.
- (4) The tribunal must give notice of the claim, by letter or such other means as it considers more effective, to each person that it is aware is or may be an interested person.
- (5) A notice under subsection (3) or (4) must include a statement to the effect that—
 - (a) copies of the application are available for public inspection at places, and during times, specified in the notice; and
 - (b) interested persons may, within the period specified in the notice, apply to the tribunal to be made a party to the proceeding for the hearing of the claim; and
 - (c) any other group of Aboriginal people may, within that period, make a claim for the whole or part of the land

the subject of the claim or for such an area and additional area of claimable land.

- (6) The period specified in a notice for the purposes of subsection (5)(b) must be a period of not less than 60 days after the publication of notice of the claim in the gazette.

63 Joint hearing of claims

If—

- (a) a claim (the *first claim*) is duly made under this Act by a group of Aboriginal people for an area of claimable land; and
- (b) a claim (the *subsequent claim*) is duly made under this Act by another group of Aboriginal people for the whole or a part of the area of claimable land (whether or not an additional area of claimable land is also claimed); and
- (c) the subsequent claim is referred to the Land Tribunal within the period specified in the notice published under section 62 in relation to the first claim or before the hearing of the first claim has started;

then—

- (d) the first claim and the subsequent claim are to be heard and determined together; and
- (e) if the subsequent claim does not include an additional area of claimable land—section 62 does not apply to the subsequent claim.

64 Repeat claims

If a repeat claim mentioned in section 61(10) has been referred to the Land Tribunal, the tribunal may hear the repeat claim only if a presiding member is satisfied that the repeat claim could be established on 1 or more grounds mentioned in section 65 or 66 because—

-
- (a) the basis on which the repeat claim is made is substantially different to the basis on which the previous claim was made; or
 - (b) information has become available to the tribunal that was not previously available and, if the information had previously been available to the tribunal, it may have affected the decision of the tribunal on the previous claim.

65 Establishment of claim on ground of traditional affiliation

- (1) A claim by a group of Aboriginal people for an area of claimable land on the ground of traditional affiliation is established if the Land Tribunal is satisfied that the members of the group have a common connection with the land based on spiritual and other associations with, rights in relation to, and responsibilities for, the land under Aboriginal tradition.
- (2) In determining the claim, the tribunal must consult with, and consider the views of, the persons recognised under Aboriginal tradition as the elders of the group of Aboriginal people.

66 Establishment of claim on ground of historical association

- (1) A claim by a group of Aboriginal people for an area of claimable land on the ground of historical association is established if the Land Tribunal is satisfied that the group has an association with the land based on them or their ancestors having, for a substantial period, lived on or used—
 - (a) the land; or
 - (b) land in the district or region in which the land is located.
- (2) Without limiting subsection (1), the claim may be established whether or not all or a majority of the members of the group have themselves lived on or used such land.
- (3) In determining the claim, the tribunal must consult with, and consider the views of, the persons recognised under

[s 67]

Aboriginal tradition as the elders of the group of Aboriginal people.

67 Claim may be established for only part of land claimed

A claim by a group of Aboriginal people for an area of claimable land may be established for a part only of the land.

68 Claim may be established on more than 1 ground

A claim by a group of Aboriginal people for an area of claimable land may be established on more than 1 ground.

69 Time at which it is to be decided whether land is claimable land

The question whether land claimed under this Act is claimable land is to be decided as at the beginning of the day on which the relevant claim for the land was made under this part.

70 Amendment of claim

- (1) A claim under this Act may be amended with the leave of the Land Tribunal.
- (2) If a claim is amended to include land that was not claimed in the original claim, section 62 applies as if a separate claim had been made for that land and the claim had been referred to the tribunal.

71 Recommendation to Minister

- (1) Subject to section 72, if a claim by a group of Aboriginal people for an area of claimable land is established, the Land Tribunal must recommend to the Minister that the land be granted in fee simple to the group.
- (2) When the tribunal makes a recommendation under subsection (1), the tribunal must also make recommendations to the Minister as to the entity, or the persons who are to be

represented by an entity, that should be appointed to be the grantee of the land as trustee for the benefit of the group of Aboriginal people concerned.

- (3) In making recommendations under subsection (2), the tribunal must, unless it is satisfied that exceptional circumstances exist that require it to do otherwise, act in a manner that is consistent with—
 - (a) any Aboriginal tradition applicable to the land; and
 - (b) the views of the group of Aboriginal people concerned so far as they are not inconsistent with any such Aboriginal tradition.
- (4) When the tribunal makes a recommendation under subsection (1), the tribunal must advise the Minister, in writing, in relation to each of the following matters—
 - (a) the number of Aborigines who will be advantaged by a grant of the land, and the nature and extent of the advantage that will accrue to them;
 - (b) the responsibilities in relation to the land that the group of Aboriginal people concerned agree to assume if the land is granted because of the claim, and how those responsibilities should be expressed in any deed of grant for the land;
 - (c) the detriment to persons or communities (including other Aboriginal groups and Torres Strait Islanders) that might result from a grant of the land;
 - (d) the effect (if any) that a grant of the land is likely to have on the existing and proposed patterns of land usage in the region of the land.
- (5) In this section—

Minister means the Minister administering the Land Act.

72 Resolution of conflicting claims

- (1) Subject to subsection (2), if claims by 2 or more groups of Aboriginal people for the same area of claimable land are

[s 73]

established on the same ground, the Land Tribunal must recommend to the Minister that the land be granted jointly to the groups.

- (2) If—
- (a) more than 1 claim is established; and
 - (b) each of the competing claims is established on 1 or more grounds; and
 - (c) 1 or more of the claims is established on the ground of traditional affiliation;

a recommendation must not be made in favour of any other group on the ground of historical association.

- (3) In this section—

Minister means the Minister administering the Land Act.

73 Notification of parties

- (1) If a claim by a group of Aboriginal people for an area of claimable land is established on 1 or more grounds, the Land Tribunal must notify each party to the proceeding, in writing—
- (a) that the claim has been so established; and
 - (b) of the recommendations (if any) made to the Minister in relation to the claim.
- (2) If a claim by a group of Aboriginal people for an area of claimable land is not established on 1 or more grounds, the Land Tribunal must notify each party to the proceeding, in writing, that the claim has not been so established.
- (3) In this section—

Minister means the Minister administering the Land Act.

Part 6 **Grant of claimable land as Aboriginal land**

- (1) If—
 - (a) the Land Tribunal recommends to the Minister that an area of land be granted in fee simple to a group of Aboriginal people; and
 - (b) the Minister is satisfied that the land, or a part of the land, should be so granted to the group;

the Minister must direct the chief executive to prepare a deed of grant in fee simple over the land or that part of the land.
- (2) The land need not be surveyed but may be described in the deed of grant in such manner as the Minister directs.
- (3) The deed of grant must show that the land is held by the grantees for the benefit of the group of Aboriginal people and their ancestors and descendants.
- (4) The deed of grant must specify—
 - (a) the ground on which the Land Tribunal recommended that the land be granted; and
 - (b) the responsibilities that the group of Aboriginal people have agreed to assume in relation to the land.
- (5) Subsections (2), (3) and (4) have effect despite any other Act or any rule of law or practice.

75 **Appointment of grantee**

- (1) The Minister may appoint the following entities as grantee of land the subject of a deed of grant prepared under section 74—

- (a) a CATSI corporation that is qualified to hold the land; or
 - (b) a land trust.
- (2) However, the Minister may appoint a CATSI corporation that is a registered native title body corporate as a grantee of land under subsection (1) only if—
- (a) under the Commonwealth Native Title Act, a determination has been made that native title exists in relation to all or a part of the land; and
 - (b) the registered native title body corporate is registered on the National Native Title Register for the determination.
- (3) Before making the appointment, the Minister—
- (a) must consult with, and consider the views of, the group of Aboriginal people concerned; and
 - (b) unless the Minister is satisfied that exceptional circumstances exist that require the Minister to do otherwise, must have regard to—
 - (i) any Aboriginal tradition applicable to the land; and
 - (ii) the views of the group to the extent the views are not inconsistent with any Aboriginal tradition applicable to the land.
- (4) Also, in considering whether to appoint a registered native title body corporate as the proposed grantee for the land, the Minister may have regard to any matter the Minister considers relevant to the proposed appointment, including, for example—
- (a) whether any of the group of Aboriginal people concerned, other than the native title holders of the land, may be adversely affected by the proposed appointment; and
 - (b) if the Minister is satisfied any of the group of Aboriginal people concerned will be adversely affected by the proposed appointment—any action the registered native title body corporate intends to take to address the concerns of the Aboriginal people.

77 Deed of grant takes effect on delivery

- (1) A deed of grant prepared under this division takes effect on the delivery of the deed of grant to the grantee.
- (2) On delivery of the deed of grant to the grantee, the land the subject of the deed becomes granted land and, if the land is not already Aboriginal land, becomes Aboriginal land.
- (3) Subsection (1) has effect despite any other Act or any rule of law or practice.

78 Existing interests

- (1) If granted land was, immediately before becoming Aboriginal land under this division, subject to an interest or benefited by an easement, the interest continues in force or the land continues to be benefited by the easement.
- (2) In this section—
interest includes native title, but does not include an interest in favour of the State or Commonwealth that is not registered.

- (1) If—
 - (a) land is the subject of a deed of grant issued under part 4 (the *existing deed*); and
 - (b) a deed of grant (the *new deed*) over the whole or a part of the land takes effect under section 77;the existing deed is cancelled, to the extent of the new deed, by operation of this section.
- (2) The Minister must cause notice to be given to the registrar of titles of the day of delivery of the new deed to the grantees and

the registrar must note the cancellation of the existing deed in the register accordingly.

- (3) The trustee that holds the existing deed must, on receipt of notice by the Minister so to do, deliver the existing deed to the chief executive within such reasonable period, as is specified in the notice.
- (4) If the existing deed is cancelled only in relation to part of the land, the chief executive must prepare and issue to the trustee that holds the deed a deed of grant under the Land Act (the *replacement deed*) over the remaining part of the land.
- (5) The replacement deed is, for the purposes of this Act, taken to be a deed of grant prepared and issued under part 4.
- (6) The chief executive must endorse on the replacement deed, in the proper order of priority, the instruments under which existing relevant interests arose.

80 Land Court may resolve difficulties

- (1) If a difficulty arises in—
 - (a) the application of this division to a particular matter; or

82 Reservations of forest products and quarry material etc.

(1) A deed of grant of granted land that was transferred land may contain a reservation to the State of forest products or quarry material above, on or below the surface of the land only if the Minister declares that—

[s 83]

material above, on or below the surface of the land, continues in force as if this section had not been enacted.

- (4) If a deed of grant of granted land that was transferred land does not contain a reservation of particular forest products or quarry material above, on or below the land, the Minister may declare that—
 - (a) the forest products or quarry material is of vital State interest; and
 - (b) the rights in the forest products or quarry material are acquired by the State.
- (5) If the Minister makes a declaration under subsection (1) or (4), the trustee of the land is entitled to be paid by the State such reasonable compensation because of the reservation or acquisition as is agreed on between the State and the trustee or, failing agreement, as is determined by the Land Court.

- (4) The chief executive may keep the register in the form the chief executive considers appropriate, including, for example, in electronic form.

85 Giving information for register to the chief executive

- (1) Each entity, other than a land trust, that holds Aboriginal land must—
 - (a) as soon as practicable after the end of each financial year, give to the chief executive the information mentioned in section 84(2) for the entity; and
 - (b) as soon as practicable after any of the information changes—give the chief executive a notice of the change.
- (2) A land trust must give to the chief executive all the information the chief executive reasonably requires to ensure the information in the register about the land trust is accurate.

86 Obtaining information in register

- (1) A person may, in the approved form, ask the chief executive to give the person information included in the Aboriginal land holding entity register.

Examples of when it is appropriate for the land to be transferred to the CATSI corporation—

- 1 The transfer to the CATSI corporation is supported by consultation with Aboriginal people particularly concerned with the land.
- 2 The land is within the external boundaries of an area of land the subject of a native title determination and the CATSI corporation is the registered native title body corporate for the determination.
- 3 An ILUA has been entered into for the land and the CATSI corporation is nominated in the ILUA as the proposed transferee for the land under this Act.
- 4 Anthropological research supports the CATSI corporation as being the appropriate transferee.

-
- (4) Before transferring the land, the Minister must consult with, and consider the views of—
 - (a) if the land is transferred land—Aboriginal people particularly concerned with the land; or
 - (b) if the land is granted land—the group of Aboriginal people for whom the land is held.

Subdivision 2 Grounds for removal or suspension of members

251 Grounds for removal or suspension of member

- (1) Each of the following is a ground for removing or suspending a member—

[s 252]

- (a) if the member is a member of the executive committee of the land trust, the member—
 - (i) in performing the member's functions as a member of the committee, has contravened or is contravening a provision of this Act; or
 - (ii) is carrying on, or has carried on, the business of the land trust in a fraudulent or improper way;
 - (b) the member has stolen, misappropriated or improperly applied trust property;
 - (c) the member is acting, or has acted, towards the land trust or another member in a way that is fraudulent, improper or contrary to the best interests of the land trust.
- (2) Also, it is a ground for the Minister to remove or suspend a member that, because of any circumstances affecting the operation of the land trust—
- (a) the land trust can not remove or suspend a member and a majority of members of the land trust have asked the Minister in writing to remove or suspend the member; and
 - (b) a ground mentioned in subsection (1)(a), (b) or (c) exists for the member.

Example of circumstances affecting the operation of a land trust—

A land trust can not form a quorum for a general meeting of the land trust to remove or suspend a member.

Subdivision 3 Removal or suspension of members by Minister

252 Show cause notice

- (1) This section applies if the Minister believes a ground exists to remove or suspend a member of a land trust.
- (2) The Minister must give the member and the land trust a notice (a *show cause notice*).

-
- (3) The show cause notice must state the following—
- (a) the action the Minister proposes to take under this subdivision (the *proposed action*);
 - (b) the ground for the proposed action;
 - (c) an outline of the facts and circumstances forming the basis for the ground;
 - (d) if the proposed action is suspension of the member—the proposed suspension period;
 - (e) that the member and the land trust may, within a stated period (the *show cause period*), make written representations to the Minister to show why the proposed action should not be taken;
 - (f) that, if the member is removed as a member of the land trust, the member is also removed as a member of any other land trust.
- (4) The show cause period must end at least 1 month after the show cause notice is given.

253 Representations about show cause notice

- (1) The member or land trust may make written representations to the Minister about the show cause notice during the show cause period.
- (2) The Minister must consider all representations (the *accepted representations*) made under subsection (1).

254 Ending show cause process without further action

If, after considering the accepted representations for the show cause notice, the Minister no longer believes a ground exists to remove or suspend the member, the Minister must—

- (a) take no further action about the show cause notice; and
- (b) give the member and the land trust a notice that no further action is to be taken about the show cause notice.

255 Removing or suspending member

- (1) This section applies if—
 - (a) there are no accepted representations about the show cause notice; or
 - (b) after considering the accepted representations about the show cause notice, the Minister—
 - (i) still believes a ground exists to remove or suspend the member; and
 - (ii) believes removal or suspension of the member is warranted.
- (2) The Minister may—
 - (a) if the proposed action was to remove the member—remove the member; or
 - (b) if the proposed action was to suspend the member—suspend the member for not longer than the proposed suspension period.
- (3) Before acting under subsection (2), the Minister must, if the Minister considers it appropriate in the circumstances, consult with and consider the views of Aboriginal people particularly concerned with the Aboriginal land held by the land trust.
- (4) In acting under this section, the Minister must have regard to any Aboriginal tradition applicable to the Aboriginal land held by the land trust.
- (5) If the Minister decides to take action under subsection (2), the Minister must as soon as practicable give—
 - (a) the person an information notice for the decision; and
 - (b) the land trust notice of the decision.
- (6) The decision takes effect on the later of the following—
 - (a) the day the information notice is given to the person;
 - (b) the day stated in the information notice for that purpose.

255A Effect of removing member on other land trust membership

- (1) This section applies if the Minister removes a member from a land trust under section 255(2) and the member is also a member of another land trust.
- (2) The member is also removed as a member of the other land trust.

256 Immediate suspension of member

- (1) The Minister may suspend a member of a land trust immediately if the Minister believes—
 - (a) either—
 - (i) a ground exists to remove or suspend the member; or
 - (ii) the member is a member of the executive committee of the land trust and, in performing the member's functions as a member of the committee, is likely to contravene this Act; and
 - (b) it is necessary to suspend the member immediately because there is an immediate risk to the proper operation of the land trust or proper dealing with trust property.
- (2) However, the Minister may immediately suspend the member only if the Minister also gives the member and the land trust a show cause notice for action to remove or suspend the member under this subdivision.
- (3) If the Minister decides to immediately suspend the member, the Minister must, when the Minister gives the show cause notice—
 - (a) give the member an information notice about the decision; and
 - (b) give the land trust a copy of the information notice.
- (4) The suspension—

[s 257]

- (a) operates immediately the member is given the information notice; and
- (b) if the member is also a member of another land trust—suspends the member as a member of the other land trust; and

 - (ii) 60 days have passed since the suspension took effect.

Subdivision 4 Removal or suspension of members by land trust

257 Proposed removal or suspension approved by resolution and show cause notice

- (2) However, members of the land trust must be given at least 14 days notice of the general meeting of the land trust at which the resolution is intended to be proposed.
- (3) If the land trust makes a decision under subsection (1), the land trust must—

- (2) The resolution may be made only if the show cause period stated in the show cause notice has ended.
- (3) The executive committee must—

- (i) whether a ground exists to remove or suspend the member; and
 - (ii) if the executive committee decides a ground exists—whether removal or suspension of the member is warranted.
- (4) The land trust must take no further action about the show cause notice if the executive committee decides—
 - (a) no ground exists to remove or suspend the member; or
 - (b) a ground exists but the removal or suspension of the member is not warranted.
- (5) Subsections (6) to (8) apply if the executive committee decides a ground exists to remove or suspend the member and that the removal or suspension of the member is warranted.

 - (a) if the proposed action was to remove the member—remove or suspend the member; or
 - (b) if the proposed action was to suspend the member—suspend the member for not longer than the proposed suspension period.
