4B Meaning of act of terrorism

- (1) An *act of terrorism* is an act done or threat made by a person—
 - (a) for an ethnic, ideological, political, religious or similar purpose; and

- (b) with the intention to—
 - (i) cause personal injury or damage to property; and
 - (ii) influence a government or put the public, or a section of the public, in fear.
- (2) It does not matter whether the person is acting alone or with others or in connection with an organisation or government.
- (3) To decide whether the act was done or the threat was made for a purpose or with an intention mentioned in subsection (1), regard may be had to the nature of the act or threat and the context in which the act was done or the threat was made.

5 Application of this Act

- (1) This Act applies to personal injury caused by, through or in connection with a motor vehicle if, and only if, the injury—
 - (a) is a result of—
 - (i) the driving of the motor vehicle; or
 - (ii) a collision, or action taken to avoid a collision, with the motor vehicle; or
 - (iii) the motor vehicle running out of control; or
 - (iv) a defect in the motor vehicle causing loss of control of the vehicle while it is being driven; and
 - (b) is caused, wholly or partly, by a wrongful act or omission in respect of the motor vehicle by a person other than the injured person.

unless the motor vehicle accident out of which the injury arises happens on a road.

- (4) For subsection (1)(b), the reference to a wrongful act or omission in respect of the motor vehicle does not include the use of the motor vehicle at the particular time it is being used for the actual doing of an act or making of a threat that is an act of terrorism.
- (5) The following is an example of a particular time when a motor vehicle is not being used for the actual doing of an act that is an act of terrorism—

A is the driver of a motor vehicle from which a bomb is thrown at a government building. It is established that at the time the bomb is thrown the motor vehicle is being used for an act of terrorism. In driving away from the building after the bomb is thrown, A runs into a motor vehicle being driven by B. At the time A's motor vehicle runs into B's motor vehicle A's motor vehicle is not being used for the actual doing of an act of terrorism.

- (6) Subsection (4) only applies to an act of terrorism happening on or after 1 January 2002.

- (2) The insurer's premium is the insurer's consideration for providing the insurance.
- (3) The statutory insurance scheme levy is to cover the estimated costs of—
 - (a) the administration of this Act (other than costs associated with the Nominal Defendant scheme) for the financial year in which the levy is fixed, together with any shortfall from previous financial years; and

-
- (b) the commission performing its functions under the National Injury Act, chapter 5 for the financial year in which the levy is fixed.
 - (4) The hospital and emergency services levy is to cover a reasonable proportion of the estimated cost of providing public hospital services and emergency services for the financial year for which the levy is fixed having regard to the number of people who—
 - (a) are injured in motor vehicle accidents; and
 - (b) make use of public hospital services and emergency services as a result of their injuries; and

13 The insurer's premium

- (1) An insurer's premium is to be set by each licensed insurer, within limits fixed by the commission, for each class of insurance.
- (2) The premiums are to relate to a period (an *assessment period*) fixed under a regulation.
- (3) The insurer's premium is to be set by the insurer on the basis that the insurance is to cover a registration period of 1 year.

- (3A) Subsection (3B) applies to a CTP insurance policy—
 - (a) that comes into force after 30 June 2003; and
 - (b) for which a person is entitled to an input tax credit for the insurer's premium component of the insurance premium for the policy.
- (3B) The insurer's premium consists of—
 - (a) the amount set under subsection (1) for the class of insurance to which the policy relates; and
 - (b) an additional amount prescribed under a regulation.
- (4) If the registration period is more or less than 1 year, the insurer's premium for the relevant CTP policy is—
 - (a) the proportion of the insurer's premium for 1 year that the period of registration bears to 1 year; and
 - (b) an additional amount fixed on a basis prescribed under a regulation.
- (5) A regulation under subsection (3B)(b) may prescribe a different amount for each class of insurance provided by each licensed insurer.
- (6) In this section—

input tax credit has the meaning given by the *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth), section 195-1.

13A Premium rates

- (1) This section describes the process for setting the insurer's premiums, under section 13(1), for each assessment period.
- (2) The commission first fixes limits of insurer's premium for each class of CTP insurance.
- (3) The limits consist of a floor amount (below which the premium can not be set) and a ceiling amount (above which the premium can not be set).

-
- (4) Before the commission fixes the limits, the commission must invite written submissions from—
- (a) licensed insurers on matters relevant to the fixing of the limits and, in particular, on—
 - (i) current factors and trends influencing the cost of insurance under the statutory insurance scheme; and
 - (ii) any other factors that should, in the opinion of the insurers, influence the permissible range of insurers' premiums for the assessment period; and
 - (b) major organisations representing motorists in Queensland.
- (5) The commission must at least once in each year obtain an actuarial analysis of the statutory insurance scheme and, at least once in each quarter, obtain an actuarial review of current trends that could affect the financial soundness of the scheme.
- (6) After considering the financial soundness of the statutory insurance scheme in the light of the most recent actuarial analysis and quarterly review obtained under subsection (5), the submissions made in response to the commission's invitations and other material the commission considers relevant, the commission must—
- (a) fix the limits of insurer's premium for each class of CTP insurance; and
 - (b) give each licensed insurer a written notice—
 - (i) stating the limits fixed for each class of CTP insurance; and
 - (ii) requiring the insurer to submit its insurer's premiums for each class of CTP insurance for the relevant assessment period on or before a date stated in the notice; and
 - (iii) specifying other requirements with which the insurer's submission must comply.

- (7) The premiums must be submitted in accordance with requirements specified in the notice within a time limit fixed under a regulation.
- (8) Each licensed insurer must give the commission written notice of the premiums set by the insurer on or before the date stated in the commission's notice.
- (9) On receipt of the notice from the insurer, the commission must, within a time limit fixed by a regulation—
 - (a) record the premiums set by the insurer for the relevant assessment period for each class of CTP insurance; and
 - (b) give the insurer a written notice confirming the insurer's insurance premiums for the relevant assessment period; and
 - (c) notify transport administration of each insurer's insurance premiums for the relevant assessment period.
- (10) If a licensed insurer—
 - (a) fails to submit premiums for each class of CTP insurance as required by the commission; or
 - (b) sets a premium outside the limits allowed by the commission;the commission may, by written notice to the insurer, withdraw the insurer's licence.

14 Recommendations about levies and administration fee

- (1) At least 4 months before the end of each financial year, the commission must make recommendations to the Minister on the amount of—
 - (a) the statutory insurance scheme levy for the next financial year; and
 - (b) the hospital and emergency services levy for the next financial year; and

- (c) the Nominal Defendant levy for the next financial year and the component, if any, to be included in the levy for satisfying liabilities of the Nominal Defendant under section 33(2); and
- (d) the administration fee for the next financial year.

Note—

For the commission's role in making recommendations about the injury insurance scheme levy, see the National Injury Act, section 98.

- (2) A levy mentioned in subsection (1) or the administration fee may vary according to any 1 or more of the following factors—
 - (a) the class of CTP insurance;
 - (b) the period of insurance;
 - (c) any other factor stated in a regulation.
- (3) If there is an unexpected increase in the Nominal Defendant's liabilities that necessitates, in the commission's opinion, an increase in the Nominal Defendant levy before the end of a financial year for which the levy has been fixed, the commission may, at any time, recommend a special increase in the Nominal Defendant levy.

14A Fixing levies and administration fee

- (1) Each of the following are to be fixed by regulation for each financial year—
 - (a) the statutory insurance scheme levy;
 - (b) the hospital and emergency services levy;
 - (c) the Nominal Defendant levy;
 - (d) the administration fee.
- (2) A regulation fixing levies and the administration fee for a particular financial year must be made at least 3 months before the beginning of the financial year.
- (3) However—

- (a) if a regulation fixing the levies and administration fee for a particular financial year is not made at least 3 months before the beginning of the relevant financial year—
 - (i) the regulation commences 3 months after it is notified or on a later date specified in the regulation; and
 - (ii) the levies and administration fee last fixed continue until the regulation commences; and
- (b) if the commission recommends a special increase in the Nominal Defendant levy, a regulation giving effect to the recommendation may be made at any time and comes into force on the date the regulation is notified or a later date specified in the regulation.

15 Report and recommendations when costs of insurance exceed the affordability index

- (1) The costs of CTP insurance exceed the affordability index if the insurance premium for a CTP insurance policy for a class 1 motor vehicle (assuming the insurer's premium is set at the highest amount set by a licensed insurer) exceeds the affordability index.
- (2) If the costs of CTP insurance exceed the affordability index, the commission must give the Minister a report about the effect of current trends on the affordability of CTP insurance.
- (3) Subsection (4) applies if the commission considers changes to the statutory insurance scheme or the injury insurance scheme are necessary to counter the effect of undesirable trends on the affordability of CTP insurance.
- (4) The commission may, in its report, recommend the changes.
- (5) If the report recommends changes to the injury insurance scheme, the commission must give a copy of the report to the Treasurer.

(6) In fixing the range within which an insurer's premium for a class 1 motor vehicle must fall, the commission is not to be influenced by the fact that the proposed range could result in the costs of CTP insurance exceeding the affordability index if the ceiling amount is, according to actuarial advice, appropriate to ensure the financial soundness of the scheme.

(7) The Minister must, as soon as practicable after receiving a report under subsection (2), cause a copy of the report to be laid before the Legislative Assembly.

(8) In this section—

class 1 motor vehicle means a motor vehicle of that class under a regulation.

insurance premium, for a CTP insurance policy for a class 1 motor vehicle, does not include the relevant insolvency liability component or an amount prescribed under section 13(3B)(b) for the insurer's premium component of the insurance premium for the policy.

Part 3 Compulsory insurance

Division 1 Obligation to insure

20 Offence of driving uninsured vehicle etc.

- (1) A person must not drive an uninsured motor vehicle on a road or in a public place.

Maximum penalty—80 penalty units.

- (2) A person who is the owner of an uninsured motor vehicle must not permit someone else to drive it on a road or in a public place.

Maximum penalty—80 penalty units.

- (3) It is a defence to a charge of an offence against this section to prove that the defendant had reasonable grounds to believe and did believe the motor vehicle was an insured motor vehicle.

- (4) This section does not apply to a motor vehicle of a class exempted from its application by regulation.

- (5) Also, this section does not apply to a motor vehicle to which a gratuitous CTP insurance policy under section 20A(2) relates.

20A Temporary gratuitous insurance

- (1) This section applies if a person has been issued a permit under the *Transport Operations (Road Use Management—Vehicle Registration) Regulation 2010*, section 108, authorising the use of an unregistered motor vehicle on roads.

- (2) A gratuitous CTP insurance policy in terms of the schedule under which the Nominal Defendant is the insurer is taken to be in force for the motor vehicle while the permit is in force.

-
- (3) However, subsection (2) does not apply for any period when a CTP insurance policy is otherwise in force for the motor vehicle while the permit is in force.

Division 2 Selection of insurer

21 Selection of insurer

- (1) On lodging an application for the registration of a motor vehicle with transport administration, the applicant must select a licensed insurer to be the insurer under the CTP insurance policy for the vehicle by exercising 1 of the following options—
- (a) the applicant may, at the time of lodging the application, nominate, in a way approved by transport administration, a particular licensed insurer to be the insurer under the CTP insurance policy for the vehicle and pay the appropriate insurance premium to transport administration;
 - (b) the applicant may lodge with the application a certificate in a form approved by the commission certifying that the appropriate insurance premium has been paid to the licensed insurer on whose behalf the certificate is issued.
- (2) The registered operator of a registered motor vehicle may, on lodging an application for renewal of registration or at any other time, change the insurer for the vehicle as from the end of the current registration period by nominating, in a way approved by transport administration, another licensed insurer as the insurer of the motor vehicle.
- (3) However—
- (a) if a registered operator lodges an application for renewal of registration before the end of a current period of registration, a nomination to change the insurer for the period for which the renewal is to take effect can not be

- made after the time of lodging the application for renewal; and
- (b) a nomination under subsection (2) becomes void if, between the time it is lodged and the time it is to take effect—
 - (i) the registration of the motor vehicle is transferred; or
 - (ii) a further notice of nomination is lodged with transport administration under subsection (2).
- (4) On lodging an application for renewal of the registration of a motor vehicle with transport administration, the applicant must—
- (a) pay the appropriate insurance premium to transport administration; or
 - (b) lodge with transport administration a certificate in a form approved by the commission certifying that the appropriate insurance premium (for the period for which the registration is to be renewed) has been paid to the licensed insurer on whose behalf the certificate is issued.
- (5) If an applicant for registration or renewal of registration of a motor vehicle pays to transport administration an amount that is (after subtracting any amount payable to transport administration by way of registration fees and charges) less than the appropriate insurance premium but within the tolerances set by the commission—
- (a) the applicant is taken to have paid the appropriate insurance premium; and
 - (b) the amount is to be applied as follows—
 - (i) first to paying the registration fees and charges, the administration fee and the levies;
 - (ii) secondly to paying the remaining balance to the insurer.

-
- (6) However, in a case to which subsection (5) applies, the CTP insurer may recover, as a debt, from the registered operator of the motor vehicle the difference between the insurer's premium the insurer would have received if the insurance premium had been paid in full and the amount actually received by the insurer.
- (7) The commission may—
- (a) fix tolerances for subsection (5); or
 - (b) change or replace tolerances previously fixed for subsection (5).
- (8) When the commission fixes the tolerances (or changes or replaces tolerances previously fixed), the commission must give written notice of the tolerances (or the new tolerances) to transport administration and all licensed insurers.
- (9) For this section—
- (a) a person is taken to have made a nomination in a way approved by transport administration if the nomination is communicated to transport administration in a way transport administration considers acceptable; and
 - (b) a person is taken to have lodged a certificate with transport administration if the certificate or its contents are transmitted to, and received by, transport administration in a way transport administration considers acceptable.
- (10) In this section—
- appropriate insurance premium*** means the gross insurance premium calculated by reference to—
- (a) the period for which registration is to be granted or renewed; and
 - (b) the class of motor vehicle; and
 - (c) the insurer's premium for the insurer last selected under this section for the relevant class of insurance.

22 Licensed insurer can not decline CTP business

- (1) A CTP insurance policy under this Act is binding on the licensed insurer by force of this Act, and a licensed insurer can not repudiate, or decline to issue or renew, a CTP insurance policy.
- (2) If an application is made to a licensed insurer for an insurance certificate for use in connection with an application to register or renew the registration of a motor vehicle, and the appropriate insurance premium is tendered to the insurer by the applicant, the insurer must issue the certificate.

Maximum penalty—300 penalty units.
- (3) A court that convicts an insurer of an offence against subsection (2) may, by order, withdraw the licence.

23 Statutory policy of insurance

- (1) When transport administration registers or renews the registration of a motor vehicle—
 - (a) a policy of insurance in terms of the schedule comes into force for the motor vehicle when the registration or renewal of registration takes effect; and
 - (b) the licensed insurer selected under this part in or in relation to the relevant application is the insurer under the policy.
- (2) The policy remains in force for the period of registration and for a further period of grace ending on the first of the following to happen—
 - (a) on the renewal of the registration or the grant of a permit allowing the vehicle to be driven on roads while unregistered;
 - (b) on the expiry of 30 days from the end of the period of registration.
- (3) However—

-
- (a) if the registration is cancelled before the end of the period for which it was granted or renewed, the policy ceases to be in force when the cancellation takes effect (and there is no period of grace); and
 - (b) if a cancellation of registration takes effect during the period of grace, the period of grace ends when the cancellation takes effect; and
 - (c) the period of grace does not include a period for which the vehicle has plates attached to it that allow it to be driven while unregistered; and
 - (d) if the registered operator of the motor vehicle has selected a licensed insurer to become the insurer of the motor vehicle as from the end of the period of registration, the selected insurer becomes the insurer under the policy for the period of grace.
- (3A) If the registration of a motor vehicle is renewed after the end of the period of grace, the vehicle is uninsured from the end of the period of grace until the registration is renewed (even though the period for which the registration is renewed is backdated to the end of the previous registration period).
- (4) The validity of the policy is unaffected by—
- (a) transport administration's failure to collect the insurance premium in full; or
 - (b) another error of transport administration or an error of an insurer.
- (5) If a CTP insurance policy comes into force under this Act and the insurance premium has not been collected, in full, by or for the insurer, the insurer may recover the premium, or as much of it as has not been paid, as a debt, from the person in whose name the motor vehicle is registered.
- (6) If—
- (a) a cheque received by transport administration for the premium, or for an amount including the premium, on a CTP insurance policy is not paid on first presentation; or

- (b) transport administration becomes aware that, because of administrative error, the amount accepted by it as the premium on a CTP insurance policy is not the full amount of the premium; or
- (c) a payment received electronically by transport administration for the premium, or for an amount including the premium, on a CTP insurance policy is subsequently withdrawn;

transport administration must, as soon as practicable, inform the insurer of the relevant fact and of any action taken by transport administration to recover the premium or the balance of the premium.

- (7) If provision is made by regulation for the gratuitous insurance of vehicles of a particular class under policies of CTP insurance, a vehicle of the relevant class must be regarded, subject to any conditions and limitations prescribed by regulation, as insured by a CTP insurance policy under which the Nominal Defendant is the insurer.
- (8) If a licensed insurer issues a CTP insurance certificate for an uninsured motor vehicle, the motor vehicle is covered by the insurer under a CTP insurance policy while the vehicle is being driven as far as is reasonably necessary—
 - (a) to obtain an inspection certificate, or a weighbridge certificate, necessary for the vehicle's registration; or
 - (b) to take the vehicle to the nearest convenient place for an inspection that is necessary for registration.
- (9) However, CTP insurance cover under subsection (8) does not extend to an unregistered vehicle while it is being driven to a place to arrange or undergo repair or another purpose not specifically authorised by the subsection.
- (10) In this section—

inspection certificate means an inspection certificate under the *Transport Operations (Road Use Management—Vehicle Standards and Safety) Regulation 2010*.

24 Transfer of registration

A CTP insurance policy is unaffected by a change of ownership, or a transfer of the registration of, a motor vehicle to which it relates.

25 Motor vehicle must be insured under correct class

- (1) An applicant for registration, or renewal of registration, of a motor vehicle must not make a misstatement or misrepresentation that results in—
- (a) the motor vehicle being incorrectly classified; and
 - (b) a consequent reduction in the amount of the premium charged for the CTP insurance policy for the vehicle.

Maximum penalty—30 penalty units.

- (2) However, it is a defence to a charge of an offence against subsection (1) to prove that the defendant believed on reasonable grounds that the misstatement or misrepresentation was true.

- (2A) A person must not drive a motor vehicle, or permit a motor vehicle to be driven, on a road or in a public place knowing that the vehicle has been incorrectly classified and that, as a result, less than the appropriate insurance premium has been paid for a policy of CTP insurance.

Maximum penalty—30 penalty units.

- (3) An insurer must not fix the insurance premium to be paid for a CTP insurance policy on the basis of a classification of a motor vehicle the insurer knows to be incorrect.

Maximum penalty—300 penalty units.

26 Non application in certain cases

This division does not apply to—

Motor Accident Insurance Act 1994

Part 3 Compulsory insurance

[s 27]

- (a) a trailer other than a trailer that is registered, or about to be registered, under the *Interstate Road Transport Act 1985* (Cwlth); or
- (b) a motor vehicle owned by a self-insurer.

Division 3 Disbursement of gross insurance premiums

27 Disbursement of gross premiums by transport administration

- (1) Transport administration must in each week—
 - (a) give the commission a return setting out, for the previous week—
 - (i) the total amount received by way of insurance premiums; and
 - (ii) the total amount received by way of insurer's premium for each licensed insurer; and
 - (iii) the amount received by way of statutory insurance scheme levy; and
 - (iv) the amount received by way of hospital and emergency services levy; and
 - (v) the amount received by way of Nominal Defendant levy; and
 - (vi) the amount received by way of the injury insurance scheme levy; and
 - (vii) the amount received by way of administration fee; and
 - (b) pay to each licensed insurer the total amount received by way of insurer's premium for the licensed insurer; and

-
- (c) pay to the commission the total amount received by way of levies, other than amounts received by way of the injury insurance scheme levy.
 - (2) Transport administration must also in each week—
 - (a) give the insurance agency a return setting out, for the previous week, the amount received by way of the injury insurance scheme levy; and
 - (b) pay to the insurance agency the total amount received by way of the injury insurance scheme levy.
 - (3) For subsections (1)(c) and (2)(b), the total amount received by way of levy includes any amount received from a licensed insurer for transmission to the commission or the insurance agency.
 - (4) Transport administration may retain the amount received by way of administration fee.

27A Disbursement of gross premiums by insurers who receive premiums directly

- (1) Within a week after transport administration notifies a licensed insurer that it has received a certificate certifying payment of an insurance premium to the licensed insurer, the licensed insurer must—
 - (a) pay to transport administration (for transmission to the commission or the insurance agency) the component of the insurance premium consisting of the levies; and
 - (b) pay to transport administration the component of the insurance premium consisting of the administration fee.

Maximum penalty—150 penalty units.

- (2) However, an insurer's liability to make payments under subsection (1) to transport administration, and transport administration's liability to pay insurer's premiums to the insurer, may be set off against each other under an arrangement between transport administration and the insurer (but such an arrangement is not to affect the extent of

Motor Accident Insurance Act 1994

Part 3 Compulsory insurance

[s 28]

transport administration's liability to pay levies to the commission or the insurance agency).

- (3) If an insurer fails to make a payment to transport administration when required under this section, transport administration may recover the amount as a debt, together with interest at a rate fixed under a regulation.

Division 4 The statutory funds

28 Motor Accident Insurance Fund

- (1) There is to be a fund called the Motor Accident Insurance Fund.
- (2) The fund consists of—
 - (a) an amount transferred to the fund under section 33(6) or 106; and
 - (b) the amounts received or recovered by the commission by way of the statutory insurance scheme levy under this Act; and
 - (c) the amounts received or recovered by the commission by way of the hospital and emergency services levy under this Act; and
 - (d) any penalties or penalty interest imposed under this Act; and
 - (e) income derived from the investment of the fund.
- (3) The fund is to be applied to meet the cost of administering this Act, including—
 - (a) all expenditure by the commission in the exercise of statutory powers and functions (including payments to be made under section 106(4) but not costs otherwise associated with the Nominal Defendant scheme); and

-
- (b) payments relating to an advance of amounts under subsection (6), that are payable under the terms of the advance.
 - (4) The amounts received into the fund by way of the hospital and emergency services levy are to be applied towards providing public hospital services and public emergency services and, for that purpose, are to be paid to relevant government entities.
 - (5) The Treasurer may decide at which periodic intervals, and in what proportions, the amounts are to be paid.
 - (6) The Treasurer may advance amounts to the fund on the terms the Treasurer considers appropriate.

29 Nominal Defendant Fund

- (1) There is to be a fund called the Nominal Defendant Fund.
- (2) The following amounts are to be paid into the fund—
 - (a) the amounts to be paid by the Treasurer to the credit of the fund under section 106;

Motor Accident Insurance Act 1994

Part 3 Compulsory insurance

[s 30]

Division 5 Transfer of CTP business

30 Transfer of CTP business

- (1) The commission may, on the joint application of 2 licensed insurers, approve the transfer of CTP business from one insurer (the *transferor*) to the other (the *transferee*).
- (2) An approval under this section may be given on the conditions the commission considers appropriate.
- (3) Notice of an approval under this section must be published in the gazette.
- (4) On publication of the notice of approval in the gazette—
 - (a) all rights and liabilities subject to the transfer are transferred to, and become rights and liabilities of, the transferee; and
 - (b) this Act operates as if the transferee had been selected as the insurer under the CTP policies subject to the transfer; and
 - (c) if the transferor's entire CTP business is transferred—the transferor's licence is withdrawn; and
 - (d) if part of the transferor's CTP business is transferred—the transfer is an adequate reason for withdrawing the licence.

Editor's note—

It should be noted that, under section 66(1), the commission may withdraw a licence if the insurer asks the commission to withdraw it, the insurer contravenes this Act, a condition of the licence or the industry deed, or there is some other reason justifying withdrawal of the licence.

Part 4 Claims

Division 1 The insurer

31 Principles for determining the insurer

- (1) If personal injury is caused by, through or in connection with a motor vehicle, the insurer for the statutory insurance scheme is to be decided in accordance with the following principles—
 - (a) if the motor vehicle is an insured motor vehicle—the insurer under the CTP insurance policy is, subject to this division, the insurer;
 - (b) if the motor vehicle is not insured but a self-insurer is the registered owner—the self-insurer is the insurer;
 - (c) if the motor vehicle is not insured and a self-insurer is not the registered owner—the Nominal Defendant is the insurer;
 - (d) if the motor vehicle, or insurer under its CTP insurance policy, can not be identified—the Nominal Defendant is the insurer.
- (2) In any legal proceedings, it is to be presumed that a motor vehicle can not be identified if it is established by affidavit or oral evidence that proper inquiry and search have been made and have failed to establish the identity of the motor vehicle.
- (3) If a trailer is attached to a motor vehicle registered in Queensland or runs out of control after becoming accidentally detached from a motor vehicle registered in Queensland, the trailer must be regarded as part of the motor vehicle and the insurer of the motor vehicle is the insurer of the trailer but, in any other case, the insurer of a trailer registered in Queensland is the Nominal Defendant whose liability is to be decided as if the Nominal Defendant had issued a separate CTP insurance policy for the trailer.
- (4) However—

- (a) if a motor vehicle accident involving a trailer with a GVM of more than 4.5 tonnes happens outside the State—the Nominal Defendant is not the insurer of the trailer under subsection (3); and
 - (b) if a CTP insurance policy (other than a supplementary policy) is issued for, or expressly extends to, a trailer—the insurer under the policy is the insurer of the trailer for all purposes.
- (5) In this section—
- supplementary policy* means a policy of insurance for a trailer insuring against liability for personal injury caused by, through or in connection with the trailer, other than a liability covered under subsection (3).

32 Self-insurer as the insurer

If personal injury is caused by, through or in connection with a motor vehicle that is not insured under a CTP insurance policy but a self-insurer is the registered owner, the self-insurer's liability is the same as if the self-insurer had been, when the motor vehicle accident happened, the insurer under a CTP insurance policy under this Act for the motor vehicle.

33 Nominal Defendant as the insurer

- (1) The Nominal Defendant's liability for personal injury caused by, through or in connection with a motor vehicle is the same as if the Nominal Defendant had been, when the motor vehicle accident happened, the insurer under a CTP insurance policy under this Act for the motor vehicle.
- (2) If the insurer under a CTP insurance policy becomes insolvent, the Nominal Defendant becomes the insurer under CTP policies in force under this Act for which the insolvent insurer was formerly the insurer unless the policies are transferred to some other licensed insurer.

-
- (3) The Nominal Defendant is liable for personal injury arising out of a motor vehicle accident outside Queensland only if—
- (a) the liability arises under subsection (2); or
 - (b) the personal injury is caused by, through or in connection with a motor vehicle that is gratuitously insured under section 23(7).
- (4) Subject to subsection (5), if the Nominal Defendant Fund proves insufficient to meet the liabilities of the Nominal Defendant under subsection (2), the commissioner must make payments from the Motor Accident Insurance Fund to meet the deficiency.
- (5) The total payments from the Motor Accident Insurance Fund under subsection (4) and under section 106(4), including payments made under section 106(4) before the commencement of this subsection, can not be more than the amount that was transferred to the fund under section 106(3).
- (6) If an amount is recovered or received by the Nominal Defendant, by way of an action or a claim relating to the insolvency of an insurer under a CTP insurance policy, the Treasurer may, by written notice to the Nominal Defendant, direct it to transfer an amount, not exceeding the amount recovered or received, to the Motor Accident Insurance Fund.
- Editor's note—*
- See section 61 (Nominal Defendant's rights of recourse against insurer).
- (7) However, the total amount the Treasurer may direct the Nominal Defendant to transfer to the Motor Accident Insurance Fund from all the amounts recovered or received relating to an insolvent insurer, as mentioned in subsection (6), must not exceed the total payments from the fund made by the commissioner under subsection (4) relating to that insolvent insurer.

**Division 2 Duty to notify accidents and claims
and provide information**

34 Duty to notify accidents to police

- (1) A person who proposes to make a ~~motor-vehicle-accident~~ claim (including a person acting in a representative capacity) must ensure that appropriate notice of the accident has been given to a police officer.

- (2) A person must not, without reasonable excuse, fail to comply with a request for information under subsection (1).
Maximum penalty—10 penalty units.

- (b) if the insurer is not prepared to waive compliance with the requirements in the first instance—the insurer must, within 14 days after the end of the period specified under paragraph (a)(iii), give the claimant a written notice—
- (i) stating that the insurer is satisfied the claimant has complied with the relevant requirements, is satisfied with the action taken by the claimant to

remedy the noncompliance or waives the noncompliance in any event; or

- (ii) stating that the insurer is not satisfied that the claimant has taken reasonable action to remedy the noncompliance, giving full particulars of the noncompliance and the claimant's failure to remedy it.

- (2) If an insurer to which notice of a ~~motor vehicle accident~~ claim is given under this division or purportedly under this division is not, for the purposes of the claim the insurer of the motor vehicle to which the claim relates under the statutory insurance scheme, the insurer must, instead of responding to the notice under subsection (1), give the claimant written notice denying that the insurer is the insurer under the statutory insurance scheme.
- (3) If notice of a ~~motor vehicle accident~~ claim is given to an insurer under this division or purportedly under this division, and the insurer does not respond to the notice within 14 days after receiving it, the insurer is conclusively presumed to be satisfied the notice was given as required under this division.
- (4) However, the insurer's failure to respond to the notice does not prevent the insurer from later denying that the insurer is the insurer of the motor vehicle to which the claim relates under the statutory insurance scheme, but the insurer is liable to compensate the claimant and the insurer against which the claim properly lies for prejudice resulting from the insurer's failure to respond to the notice under subsection (2).
- (5) A claimant's failure to give notice of a ~~motor vehicle accident~~ claim as required under this division prevents the claimant from proceeding further with the claim unless—
 - (a) the insurer—
 - (i) has stated that the insurer is satisfied notice has been given as required under this division or the claimant has taken reasonable action to remedy the noncompliance; or

- (ii) is presumed to be satisfied notice has been given as required under this division; or
- (b) the insurer has waived compliance with the requirement; or
- (c) the court, on application by the claimant—
 - (i) declares that the claimant has remedied the noncompliance; or
 - (ii) authorises further proceedings based on the claim despite the noncompliance.
- (6) An order of the court under subsection (5)(c) may be made on conditions the court considers necessary or appropriate to minimise prejudice to an insurer from the claimant's failure to comply with requirements of this division.
- (7) If a claimant does not comply with the requirements of this division, a court before which the claimant brings an action for damages on the claim—
 - (a) may, on the insurer's application, award in the insurer's favour costs (including legal and investigation costs) reasonably incurred by the insurer because of the claimant's default; and
 - (b) may only award interest in the claimant's favour for a period for which the claimant was in default if the court is satisfied there is a reasonable excuse for the default.
- (8) If a claim against the Nominal Defendant is barred because the claim relates to personal injury caused by, through or in connection with a motor vehicle that can not be identified and the claimant failed to give notice of claim under this division within 9 months after the motor vehicle accident, the Nominal Defendant can not waive compliance with the requirement to give notice within the time allowed by this division, nor can the court give leave to bring a proceeding in a court despite the noncompliance.

(9) This section is subject to section 39A.

39A Duty to give law practice certificate if waiver or presumption

- (1) This section applies if—
- (a) a claimant gives notice of the claimant’s claim that does not comply with section 37(1)(d)(i); and
 - (b) the insurer for the claim—
 - (i) waives compliance with the requirements under this division for giving notice of the claim; or
 - (ii) is presumed to be satisfied notice has been given as required under this division.
- (2) If the supervising principal of a law practice or a person mentioned in section 36C(2) acting for the supervising principal gave the claimant a law practice certificate for the claim under section 36A but the claimant has not given the certificate to the insurer, the supervising principal must give a copy of the certificate to the insurer as soon as practicable.
- (3) Subsection (4) applies if—
- (a) the supervising principal of a law practice retained by the claimant in relation to the claimant’s claim or a person mentioned in section 36C(2) acting for the supervising principal did not give the claimant a law practice certificate for the claim under section 36A; and
 - (b) the claimant has not subsequently given the insurer a law practice certificate for the claim from the supervising principal or the person.
- (4) The supervising principal must, within a month after the claimant is notified of the waiver or the presumption takes effect—
- (a) complete a law practice certificate for the claim; and
 - (b) give the certificate to the insurer and a copy of the certificate to the claimant.

Maximum penalty for subsection (4)—300 penalty units.

Not authorised—indicative only

40 Minority and legal disabilities

- (1) A claimant's obligation to comply with this division is suspended during the claimant's minority or a period of legal incapacity.
- (2) A period within which the obligation is to be complied with begins when the claimant's minority or legal incapacity ends.
- (3) However, this section does not prevent a claimant, or a person acting for the claimant, from complying with an obligation under this division during the claimant's minority or legal incapacity.

41 Insurer must attempt to resolve claim

- (1) Within 6 months after an insurer receives notice of a ~~motor vehicle accident~~ claim under this division, the insurer must—
 - (a) take reasonable steps to inform itself of the circumstances of the motor vehicle accident out of which the claim arises; and
 - (b) give the claimant written notice stating—
 - (i) whether liability is admitted or denied; and
 - (ii) if contributory negligence is claimed—the degree of the contributory negligence expressed as a percentage; and
 - (iii) if the claimant is not a participant in the injury insurance scheme but the insurer considers the claimant may be an eligible person—that the claimant may be an eligible person; and
 - (c) if the claimant made an offer of settlement in the notice of claim, inform the claimant whether the insurer accepts or rejects the offer or, if the claimant did not

make an offer of settlement in the notice, invite the claimant to make a written offer of settlement.

- (2) As soon as practicable after an insurer receives notice of a claim under the division, the insurer must—
 - (a) make a fair and reasonable estimate of the damages to which the claimant would be entitled in an action against the insurer; and
 - (b) make a written offer (or counter offer) of settlement to the claimant setting out in detail the basis on which the offer is made, or settle the claim by accepting an offer made by the claimant.
- (3) If a notice of claim is not given as required under this division, the insurer is taken to receive the notice when—
 - (a) the insurer gives the claimant notice that the insurer waives compliance with the requirement that has not been complied with or is satisfied the claimant has taken reasonable action to remedy the noncompliance; or
 - (b) the court makes a declaration that the claimant is taken to have remedied the noncompliance, or gives leave to bring a proceeding based on the claim despite the noncompliance.
- (4) An offer (or counter offer) of settlement must be accompanied by a copy of medical reports, assessments of cognitive, functional or vocational capacity, or other material in the offerer's possession that may help the person to whom the offer is made make a proper assessment of the offer.
- (5) An insurer or claimant to whom a written offer (or counter offer) of settlement is made must (unless a response to the offer is to be made under subsection (1)(c)) respond in writing to the offer, within 3 months after receiving it, indicating acceptance or rejection of the offer.
- (6) An admission of liability by an insurer under this section—
 - (a) is not binding on the insurer on another claim arising out of the same motor vehicle accident; and

- (b) is not binding on the insurer at all if it later appears the admission was induced by fraud.

41A Supervising principal must complete law practice certificate on settlement or judgment

- (1) This section applies if—
 - (a) a law practice is retained by a claimant to act in relation to the claimant’s claim; and
 - (b) either—
 - (i) the claimant or the insurer accepts an offer (or counter offer) of settlement; or
 - (ii) judgment is given on the claim.
- (2) The supervising principal of the law practice in relation to the claim must—
 - (a) complete a law practice certificate for the claim; and
 - (b) give the certificate to the insurer and a copy of the certificate to the claimant within 7 days after the acceptance or judgment.

Maximum penalty—300 penalty units.

Note—

See also section 36C.

42 Payment of medical expenses etc.

- (1) Once liability has been admitted, it is the duty of the insurer to make payments to or for the claimant for private hospital, medical and pharmaceutical expenses reasonably and appropriately incurred because of the injury or a proportionate part of the expenses reflecting the extent of the insurer’s responsibility (assuming the claimant to be guilty of contributory negligence as asserted by the insurer).
- (2) A payment must be made under this section on presentation of an account made up, and verified, as required by regulation.

-
- (3) However, the insurer is not required to make a payment in relation to the claimant's treatment, care and support needs as a result of the injury if—
- (a) the claimant is, when the needs arise, a participant in the injury insurance scheme in relation to a serious personal injury resulting from the motor vehicle accident the subject of the claim; or
 - (b) the needs arise after an amount is paid to the claimant, or a person acting for the claimant, under the National Injury Act, section 44(3)(a) in relation to a personal injury resulting from the motor vehicle accident the subject of the claim.
- (4) Subsection (3) applies—
- (a) whether or not the injury the subject of the claim is a serious personal injury; and
 - (b) whether or not the treatment, care and support needs are an approved service for the claimant under the National Injury Act; and
 - (c) whether or not the insurance agency must, under that Act, make a payment in relation to the treatment, care and support needs; and
 - (d) whether or not the treatment, care and support is provided without charge.
- (5) An insurer may recover payments made under this section if it later appears that the admission of liability was induced by fraud.

43 Insured person not to admit liability

- (1) An insured person must not, without the insurer's written agreement—
- (a) make an admission of liability on a ~~motor vehicle~~ **accident** claim; or

- (b) settle, or offer to settle, a ~~motor vehicle accident~~ claim; or
 - (c) make a payment, or offer or promise to make a payment, on a ~~motor vehicle accident~~ claim.
- (2) A contract, offer or promise made in contravention of this section does not bind the insurer.
 - (3) This section does not prevent an insured person from providing a police officer with information reasonably required to prepare a report on a motor vehicle accident.
 - (4) An insured person incurs no civil liability to an insurer through contravention of this section.

44 Power of insurer to act for insured

- (1) If a ~~motor vehicle accident~~ claim is made against an insured person, the insurer—
 - (a) must undertake the conduct and control of negotiations and legal proceedings related to the claim; and
 - (b) may compromise or settle the claim or legal proceedings related to the claim and act for the insured person in any other way in relation to the claim.
- (2) The insured person must sign any documents necessary to give effect to this section and, if the insured person does not sign or is dead, absent or can not be found, the insurer may sign for the insured person.
- (3) Nothing said or done by an insurer in connection with a ~~motor vehicle accident~~ claim, or legal proceedings related to a ~~motor vehicle accident~~ claim, is an admission of liability in, or otherwise prejudices or affects, another claim or proceedings arising out of the same circumstances.

Division 4 Cooperation between claimant and insurer**45 Duty of claimant to cooperate with insurer**

- (1) A claimant must cooperate with the insurer and, in particular—
- (a) must provide the insurer with copies of reports and other documentary material (including written statements made by the claimant or by witnesses) in the claimant's possession about the circumstances of the accident or the claimant's medical condition or prospects of rehabilitation; and
 - (b) must give information reasonably requested by the insurer about—
 - (i) the circumstances of the accident out of which the claim arose; and
 - (ii) the nature of the injuries resulting from the accident and of any consequent disabilities and financial loss; and
 - (iii) if applicable—the medical treatment and rehabilitation services the claimant has sought or obtained; and
 - (iv) the claimant's medical history (as far as it is relevant to the claim), and any other claims for compensation for personal injury made by the claimant.
- (2) The claimant must—
- (a) provide the copies of reports and other documentary materials within 1 month after giving notice of the ~~motor vehicle accident~~ claim or, if the reports or material come into the claimant's possession later, within 1 month after they come into the claimant's possession; and

- (b) respond to a request under subsection (1)(b) within 1 month after receiving it.
- (3) If, after notice of a claim is given to the insurer but before the claim is resolved, the claimant becomes aware of a significant change in the claimant's medical condition, or in other circumstances, relevant to the extent of the claimant's disabilities or financial loss, the claimant must, within 1 month after becoming aware of the change, inform the insurer of the change.
- (7) Any information provided by a claimant under this section must be verified by statutory declaration if the insurer requires it to be verified by statutory declaration.

45A Panels of recognised medical experts

- (1) The commission—
 - (a) may establish a panel of experts for reporting on the medical condition of claimants and their prospects of rehabilitation (the *official panel of medical experts*); and
 - (b) may revise the membership of the panel from time to time by adding to, or removing, the names of the experts who constitute the panel.
- (2) In deciding on the composition of the panel, the commission—
 - (a) must consult with the professional bodies with which consultation is required under a regulation; and
 - (b) may only include an expert on the panel if—
 - (i) the expert's inclusion is endorsed by the relevant professional bodies; or
 - (ii) the commission is satisfied there is good reason for inclusion of the expert on the panel despite the absence of endorsement by the relevant professional bodies.

46 Claimant and insurer may jointly arrange for expert report

- (1) An insurer and a claimant (or intending claimant) may jointly arrange for an expert report on—
 - (a) the motor vehicle accident; or
 - (b) the claimant's medical condition or prospects of rehabilitation.
- (2) Neither an insurer nor a claimant is under any obligation to agree to a proposal to obtain a report under this section.
- (3) The person by whom an expert report is obtained is to be a person, agreed to by both parties, with appropriate qualifications and experience in the relevant field.
- (4) The person by whom an expert report is prepared under this section must provide both parties with a copy of the report.

46A Examination of claimant by medical expert in absence of agreement between the parties

- (1) This section applies if the insurer wants to obtain an expert report on the claimant's medical condition or prospects of rehabilitation but fails to obtain the claimant's agreement.
- (2) The claimant must comply with a request by the insurer to undergo, at the insurer's expense—
 - (a) a medical examination by a doctor to be selected by the claimant from a panel of at least 3 doctors nominated in the request; or
 - (b) an assessment of cognitive, functional or vocational capacity by an expert to be selected by the claimant from a panel of at least 3 experts with appropriate qualifications and experience nominated by the insurer in the request.
- (3) However, a claimant is not obliged to undergo an examination under this section if it is unreasonable or unnecessarily repetitious.

- (4) A panel of doctors or other experts nominated under subsection (2) may (but need not) include doctors or other experts from the official panel of medical experts.
- (5) If 3 doctors or experts with appropriate qualifications and experience are not available for inclusion on a panel under subsection (2), the number on the panel may be reduced to 2.

46B Costs of obtaining expert reports where reports obtained by agreement

- (1) If an expert report is obtained by agreement between the claimant and the insurer, and the claimant is liable for the cost of obtaining the report, the insurer must, at the claimant's request, reimburse the claimant for the reasonable cost of obtaining the report.
- (2) However, a claimant's right to reimbursement under this section is subject to the terms of any agreement between the claimant and the insurer.
- (3) If the insurer is entitled to costs, the costs may (subject to the rules on which costs are to be awarded) include the cost of reimbursing the claimant for the cost of obtaining an expert report or expert reports under this section.

47 Duty of insurer to cooperate with claimant

- (1) The insurer must cooperate with a claimant and, in particular—
 - (a) must provide the claimant with copies of reports and other documentary material in the insurer's possession about the circumstances of the accident or the claimant's medical condition or prospects of rehabilitation; and
 - (b) must, at the claimant's request, give the claimant information that is in the insurer's possession, or can be found out from the insured person, about the circumstances of, or the reasons for, the accident.
- (2) The insurer must—

-
- (a) provide the claimant with copies of reports and other documentary materials within 1 month after receiving the notice of claim under division 3 or, if the reports or materials come into the insurer's possession later, within 1 month after they come into the insurer's possession; and
 - (b) respond to a request under subsection (1)(b) within 1 month after receiving it.
- (3) If the claimant requires information provided by an insurer under this section to be verified by statutory declaration, the information must be verified by statutory declaration.
 - (4) If an insurer fails, without proper reason, to comply fully with a request under this section, the insurer is liable for costs to the claimant resulting from the failure.

48 Non-disclosure of certain material

- (1) A claimant or insurer is not obliged to disclose information or documentary material under this division if the information or documentary material is protected by legal professional privilege.
- (2) However, investigative reports, medical reports and reports relevant to the claimant's rehabilitation must be disclosed even though protected by legal professional privilege but they may be disclosed with the omission of passages consisting only of statements of opinion.
- (3) If an insurer has reasonable grounds to suspect a claimant of fraud, the insurer may withhold from disclosure under this division information or documentary material (including reports that would, apart from this subsection, have to be disclosed under subsection (2)) to the extent the disclosure would alert the claimant to the discovery of the grounds of suspicion or could help in the furtherance of fraud.
- (4) An insurer must not withhold information or documentary material from disclosure under this division without having proper grounds.

Maximum penalty for subsection (4)—50 penalty units.

49 Privilege

The information and documentary material disclosed under this division are protected by the same privileges as if disclosed in a proceeding before the Supreme Court.

Division 4A Enforcement of divisions 2, 3 and 4

50 Court's power to enforce compliance with divs 2, 3 and 4

- (1) If a claimant fails to comply with a duty imposed under division 2, 3 or 4, the court may, on the insurer's application, order the claimant to take specified action to remedy the default within a time specified by the court.
- (2) If an insurer fails to comply with a duty imposed under division 3 or 4, the court may, on the claimant's application, order the insurer to take specified action to remedy the default within a time specified by the court.
- (3) The court may make consequential or ancillary orders.

Division 5 Rehabilitation

51 Obligation to provide rehabilitation services

- (1) An insurer may make rehabilitation services available to a claimant on the insurer's own initiative or at the claimant's request.
- (2) An insurer that makes rehabilitation services available to a claimant before admitting or denying liability on the claim must not be taken, for that reason, to have admitted liability.
- (3) Once liability has been admitted on a claim, or the insurer has agreed to fund rehabilitation services without making an

admission of liability, the insurer must, at the claimant's request, ensure that reasonable and appropriate rehabilitation services are made available to the claimant.

- (3A) However, the insurer is not required to make rehabilitation services available to the claimant in relation to the claimant's treatment, care and support needs as a result of the claimant's injury if—
- (a) the claimant is, when the needs arise, a participant in the injury insurance scheme in relation to a serious personal injury resulting from the motor vehicle accident the subject of the claim; or
 - (b) the needs arise after an amount is paid to the claimant, or a person acting for the claimant, under the National Injury Act, section 44(3)(a) in relation to a personal injury resulting from the motor vehicle accident the subject of the claim.
- (3B) Subsection (3A) applies—
- (a) whether or not the injury the subject of the claim is a serious personal injury; and
 - (b) whether or not the treatment, care and support needs are an approved service for the claimant under the National Injury Act; and
 - (c) whether or not the insurance agency must, under that Act, make a payment in relation to the treatment, care and support needs; and
 - (d) whether or not the treatment, care and support is provided without charge.
- (4) If the insurer intends to ask the court to take the cost of rehabilitation services into account in the assessment of damages, the insurer must, before providing the rehabilitation services, give the claimant a written estimate of the cost of the rehabilitation services and a statement explaining how, and to what extent, the assessment of damages is likely to be affected by the provision of the rehabilitation services.

- (5) The claimant may, if not satisfied that the rehabilitation services made available under this section are reasonable and appropriate—
 - (a) apply to the commission to appoint a mediator to help resolve the questions between the claimant and the insurer; or
 - (b) apply to the court to decide what rehabilitation services are, in the circumstances of the case, reasonable and appropriate.
- (5A) An application for appointment of a mediator under subsection (5)(a) must—
 - (a) be made in writing; and
 - (b) give details of any attempts made by the applicant to resolve the matter in dispute.
- (5B) The fees and expenses of a mediator appointed under subsection (5)(a) are to be paid as agreed between the parties or, in the absence of agreement, by the parties in equal proportions.
- (5C) An application may be made to the court under subsection (5)(b) whether or not there has been an earlier attempt to resolve the questions between the claimant and the insurer by mediation.
- (5D) On an application under subsection (5)(b), the court may decide what rehabilitation services are, in the circumstances of the case, reasonable and appropriate and make consequential orders and directions.
- (6) The insurer must bear (or reimburse) the cost of providing rehabilitation services under this section unless the insurer's liability is reduced—
 - (a) by agreement with the claimant; or
 - (b) by order of the court under subsection (8).
- (7) The insurer may, if of the opinion that the cost of rehabilitation services is unreasonable—

-
- (a) apply to the commission to appoint a mediator to help resolve the questions between the claimant and the insurer; or
 - (b) apply to the court to decide what rehabilitation services are, in the circumstances of the case, reasonable and appropriate or to decide to what extent the insurer should contribute to the cost of rehabilitation services.
- (7A) An application for appointment of a mediator under subsection (7)(a) must—
- (a) be made in writing; and
 - (b) give details of any attempts made by the applicant to resolve the matter in dispute.
- (7B) The fees and expenses of a mediator appointed under subsection (7)(a) are to be paid as agreed between the parties or, in the absence of agreement, by the parties in equal proportions.
- (7C) An application may be made to the court under subsection (7)(b) whether or not there has been an earlier attempt to resolve the questions between the insurer and the claimant by mediation.
- (8) On an application under subsection (7)(b), the court may decide the questions raised on the application and make consequential orders and directions.
- (9) The cost to the insurer of providing rehabilitation services under this section is to be taken into account in the assessment of damages on the claim if (and only if) the insurer gave a statement to the claimant, as required under subsection (4), explaining how and to what extent the assessment of damages was likely to be affected by the provision of the rehabilitation services.
- (9A) If the cost of rehabilitation services is to be taken into account in the assessment of damages, the cost is taken into account as follows—

- (a) the claimant's damages are first assessed (without reduction for contributory negligence) on the assumption that the claimant has incurred the cost of the rehabilitation services as a result of the injury suffered in the accident;
- (b) any reduction to be made on account of contributory negligence is then made;
- (c) the total cost of rehabilitation services is then set-off against the amount assessed.

Example—

Suppose that responsibility for a motor vehicle accident is apportioned equally between the claimant and the insurer. Damages (exclusive of the cost of rehabilitation) before apportionment are fixed at \$20,000. The insurer has spent \$5,000 on rehabilitation services. In this case, the claimant's damages will be assessed under paragraph (a) at \$25,000 (that is, as if the claimant had incurred the \$5,000 rehabilitation expense) and reduced to \$12,500 under paragraph (b), and the \$5,000 spent by the insurer on rehabilitation will be set off against this amount, resulting in a final award of \$7,500.

- (10) An insurer who is induced by a claimant's fraud to provide rehabilitation services for the claimant may recover the cost to the insurer of providing the services, as a debt, from the claimant.

Division 5A Compulsory conference

51A Compulsory conference

- (1) Before the claimant brings an action in a court for damages for personal injury arising out of a motor vehicle accident, there must be a conference of the parties (the *compulsory conference*).
- (2) Either party may call the compulsory conference—
 - (a) at a time and place agreed between both parties; or
 - (b) if the relevant date has passed—at a reasonable time and place nominated by the party calling the conference.

-
- (3) For subsection (2)(b), the relevant date is—
 - (a) the date falling 6 months after the claimant gave notice to the insurer of the claim; or
 - (b) if the insurer required additional information, the later of the following—
 - (i) the date falling 6 months after the claimant gave notice to the insurer of the claim;
 - (ii) the date falling 1 month after the claimant gave the insurer the completed additional information form.
 - (4) The parties may for good reason dispense with the compulsory conference by agreement.
 - (5) The court may, on application by a party—
 - (a) fix the time and place for the compulsory conference; or
 - (b) dispense with the compulsory conference for good reason;and make any other orders the court considers appropriate in the circumstances.
 - (6) In considering whether to dispense with the compulsory conference, the court must take into account the extent of compliance by the parties with their respective obligations related to the claim.

51B Procedure at conference

- (1) The compulsory conference may be held with a mediator if both parties agree.
- (2) An agreement that the compulsory conference is to be held with a mediator must specify how the costs of the mediation are to be borne.
- (3) The mediator must be a person independent of the parties—
 - (a) agreed to by the parties; or

- (b) nominated by the registrar of the court on application under subsection (4).
- (4) If the parties are unable to agree on the appointment of a mediator within 30 days after the date for the compulsory conference is fixed, either party may apply to the registrar of the court for the nomination of a mediator.
- (5) At least 7 days before the compulsory conference is held, each party must give the other party—
 - (a) copies of all documents not yet given to the other party that are relevant to the claim; and
 - (b) a statement verifying that all relevant documents in the possession of the party or the party's lawyer have been given as required; and
 - (c) details of the party's legal representation; and
 - (d) if the party has legal representation—a certificate (a *certificate of readiness*) signed by the party's lawyer to the effect that the party is ready for trial.
- (6) A certificate of readiness must state that—
 - (a) the party is in all respects ready for the conference and the trial; and
 - (b) all investigative material required for the trial has been obtained (including witness statements from persons, other than expert witnesses, the party intends to call as witnesses at the trial); and
 - (c) medical or other expert reports have been obtained from all persons the party proposes to call as expert witnesses at the trial; and
 - (d) the party has fully complied with the party's obligations to give the other parties material relevant to the claim; and
 - (e) the party's lawyer has given the party a statement (a *costs statement*) containing the information required under subsection (7).

-
- (7) A costs statement must contain—
- (a) details of the legal costs (clearly identifying costs that are legal fees and costs that are disbursements) payable by the party to the party’s lawyer up to the completion of the conference; and
 - (b) an estimate of the party’s likely legal costs (clearly identifying costs that are legal fees and costs that are disbursements) if the claim proceeds to trial and is determined by the court; and
 - (c) a statement of the consequences to the party, in terms of costs, in each of the following cases—
 - (i) if the amount of the damages awarded by the court is equal to, or more than, the claimant’s mandatory final offer;
 - (ii) if the amount of the damages awarded by the court is less than the claimant’s mandatory final offer but equal to, or more than, the insurer’s mandatory final offer;
 - (iii) if the amount of the damages awarded by the court is equal to, or less than, the insurer’s mandatory final offer.
- (8) The court may, on application by a party, exempt the party from an obligation to give or disclose material to another party before trial if satisfied that disclosure would alert a person reasonably suspected of fraud to the suspicion or that there is some other good reason why the material should not be disclosed.
- (9) Each of the following is a conference participant—
- (a) the claimant or the claimant’s guardian;
 - (b) a person authorised by the insurer to settle the claim on the insurer’s behalf.
- (10) Each conference participant must (unless he or she has a reasonable excuse) attend the compulsory conference and actively participate in an attempt to settle the claim.

- (11) The compulsory conference may be conducted, if the parties agree, by telephone, closed-circuit television or another form of communication allowing contemporaneous and continuous communication between the parties.
- (12) The parties may, by agreement, change the time or place for holding a compulsory conference or adjourn a compulsory conference from time to time and from place to place.

51C Parties to exchange mandatory final offers if claim not settled at compulsory conference

- (1) If a ~~motor vehicle accident~~ claim is not settled at the compulsory conference, each party must (unless the court has dispensed with this obligation) exchange written final offers—
 - (a) at the conference; or
 - (b) if the conference has been dispensed with—within 14 days after the date of the agreement or order dispensing with the conference.
- (2) A written final offer required under subsection (1) is called a *mandatory final offer*.
- (3) A mandatory final offer for the upper offer limit or less is to be exclusive of costs.
- (4) If a mandatory final offer is for more than the lower offer limit but not more than the upper offer limit, and is accepted, costs are to be calculated and paid on a basis (but subject to limits) stated under a regulation.
- (5) Even though an insurer denies liability altogether, the insurer must nevertheless make a mandatory final offer but, in that event, the offer is to be expressed as an offer of \$nil.
- (6) A mandatory final offer must remain open for 14 days and proceedings must not be started while the offer remains open.
- (7) If the claimant brings a proceeding in a court based on a ~~motor vehicle accident~~ claim, the claimant must, at the start of the

proceeding, file at the court a sealed envelope containing a copy of the claimant's mandatory final offer.

- (8) The insurer must, before or at the time of filing a defence, file at the court a sealed envelope containing a copy of the insurer's mandatory final offer.
- (9) The court must not read the mandatory final offers until it has decided the claim.
- (10) However, the court must (where relevant) have regard to the mandatory final offers in making a decision about costs.
- (11) The court may, on application by a party, dispense with the obligation to make mandatory final offers.

51D Time for bringing action

- (1) An action for damages should be started in the court—
 - (a) within 60 days after the conclusion of the compulsory conference; or
 - (b) within a further period—
 - (i) agreed by the parties within the 60 day period mentioned in paragraph (a); or
 - (ii) fixed by the court on an application made by the claimant within the 60 day period mentioned in paragraph (a).
- (2) If the parties or the court dispenses with the compulsory conference, an action for damages should be started in the court—
 - (a) within 60 days after the later of the following—
 - (i) the date falling 6 months after the date on which the claimant gives notice to the insurer of the claim or if the insurer asks for additional information, the date on which the claimant gives the insurer the completed additional information form;

- (ii) the date of the agreement or order dispensing with the conference; or
- (b) within a further period—
 - (i) agreed by the parties within the 60 day period mentioned in paragraph (a); or
 - (ii) fixed by the court on an application made by the claimant within the 60 day period mentioned in paragraph (a).
- (3) However, if the court dispenses with the obligation to make mandatory final offers, an action for damages should be started in the court within a period fixed by the court when giving the dispensation or later.
- (4) The expiry of the time within which an action should be started under subsection (1), (2) or (3) does not prevent the claimant from starting the action but—
 - (a) the court may (unless the claimant establishes a reasonable excuse for the delay) order the claimant to pay, in any event, the insurer's costs arising out of the delay; and
 - (b) the court may, on the insurer's application, make an order fixing a time limit within which the action must be started.
- (5) If the claimant fails to start an action in the court within a time limit fixed under subsection (4)(b), the claim is barred.

Division 6 Proceedings in court

52 Insurer to be joint or sole defendant

- (1) If an action is brought in a court for damages for personal injury arising out of a motor vehicle accident, the action must be brought against the insured person and the insurer as joint defendants.

- (2) However, an action may be brought against the insurer alone if—
- (a) the insured person can not be identified; or
 - (b) the insured person is dead or it is impracticable to serve the insured person.
- (3) If a ~~motor vehicle accident~~ claim lies against 2 or more insurers, all insurers become defendants to the action, but the claim manager continues to represent all insurers in the action unless the court gives leave allowing 1 or more of the insurers to be separately represented.
- (4) If judgment is given in favour of the claimant on the claim related to personal injury, the judgment must be given against the insurer and not the insured person (unless the judgment is a judgment for exemplary or punitive damages), and, if the action involves other claims (unrelated to the personal injury), a separate judgment must be given on the other claims.
- (5) It is not a defence to an action under this section for the insurer to prove—
- (a) that the CTP insurance policy was obtained by fraud, or a material misstatement or non-disclosure; or
 - (b) that the insured person is in breach of a contractual or statutory obligation.
- (6) If legal process related to a proceeding based on a ~~motor vehicle accident~~ claim is served on the insurer, the insured person is also taken to have been served.
- (7) If a ~~motor vehicle accident~~ claim lies against 2 or more insurers, and legal process related to a proceeding based on the claim is served on the claim manager, all insurers are taken to have been served.

52A Recovery of contribution by or from Nominal Defendant in certain cases

- (1) This section applies if—

- (a) the Nominal Defendant is 1 of 2 or more insurers liable on a ~~motor vehicle accident~~ claim; and
- (b) the claim is not a claim in relation to which the insurers are, under the industry deed and within the time stated in the deed, required to resolve questions about—
 - (i) which insurer is to be the claim manager; and
 - (ii) the basis on which claim costs are to be shared between the insurers.

Editor's note—

The relevant provision of the industry deed dealing with claims for which the requirement to resolve the questions is imposed is section 5(1).

- (2) For the recovery of contribution by or from the Nominal Defendant, the *Law Reform Act 1995*, part 3, division 2 applies as if the Nominal Defendant were a tortfeasor.

52B Exclusion of summary judgment on the basis of admissions

- (1) In an action for damages for personal injury arising out of a motor vehicle accident, summary judgment is not to be given on the basis of the defendant's admissions.
- (2) However, this section does not prevent a court from giving a judgment by consent.

53 Insurer's right to call and cross-examine insured person

In an action for damages for personal injury arising out of a motor vehicle accident, the insurer may call the insured person as a witness and, by the court's leave, cross-examine the insured person.

55 Exemplary, punitive or aggravated damages

- (1) Despite the *Civil Liability Act 2003*, section 52, if the court is of the opinion that the conduct of an insured person is so

reprehensible that an award of exemplary, punitive or aggravated damage is justified, the court may give a separate judgment against the insured person for the payment of exemplary, punitive or aggravated damages.

- (2) An insured person is not entitled, under a CTP insurance policy, to an indemnity against an award of exemplary, punitive or aggravated damages.

55F Costs in cases involving relatively small awards of damages

- (1) This section applies if a court awards an amount equal to the upper offer limit or less in damages in a proceeding based on a ~~motor vehicle accident~~ claim (but it does not apply to the costs of an appellate proceeding).
- (2) If the court awards an amount equal to the lower offer limit or less, the court must apply the following principles—
 - (a) if the amount awarded is less than the claimant's mandatory final offer but more than the insurer's mandatory final offer, no costs are to be awarded;
 - (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs are to be awarded to the claimant on an indemnity basis as from the date on which the proceedings started (but no award is to be made for costs up to that date);
 - (c) if the amount awarded is equal to, or less than, the insurer's mandatory final offer, costs are to be awarded to the insurer on a standard basis as from the date on which the proceedings started (but no award is to be made for costs up to that date).
- (3) If the court awards more than an amount equal to the lower offer limit but not more than an amount equal to the upper offer limit in damages, the court must apply the following principles—

- (a) if the amount awarded is less than the claimant's mandatory final offer but more than the insurer's mandatory final offer, costs are to be awarded to the claimant on a standard basis up to the declared costs limit;
- (b) if the amount awarded is equal to, or more than, the claimant's mandatory final offer, costs are to be awarded to the claimant on the following basis—
 - (i) costs up to the date on which the proceedings started are to be awarded on a standard basis up to the declared costs limit;
 - (ii) costs on or after the date on which the proceedings started are to be awarded on an indemnity basis;
- (c) if the amount awarded is equal to, or less than, the insurer's mandatory final offer, costs are to be awarded on the following basis—
 - (i) costs up to the date on which the proceedings started are to be awarded to the claimant on a standard basis up to the declared costs limit;
 - (ii) costs on or after the date on which the proceedings started are to be awarded to the insurer on a standard basis.
- (4) Despite the limitations imposed by this section, the court may make an award of costs to compensate a party for costs resulting from a failure by another party to comply with procedural obligations under this part.
- (5) The court must not award costs to a party related to the introduction of evidence by the party that is unnecessarily repetitive.

Example—

If a claimant calls 2 or more expert witnesses from the same area of expertise to give evidence to substantially the same effect, and the claimant is entitled to costs of action under the principles laid down in this section, the court will only allow costs related to 1 of the expert witnesses.

-
- (6) Unless an award of damages is affected by factors that were not reasonably foreseeable at the time of the exchange of mandatory final offers, the court must not award costs to a party related to investigations or gathering of evidence by the party after—
- (a) the conclusion of the compulsory conference; or
 - (b) if the parties or the court dispenses with a compulsory conference—the date when the parties completed the exchange of mandatory final offers.
- (7) If an award of damages is affected by factors that were not reasonably foreseeable by a party at the time of making the party's mandatory final offer, the court may, if satisfied that it is just to do so, make an order for costs under subsection (2) or (3) as if the reference to a mandatory final offer in the relevant subsection were a reference to a later offer made in the light of the factors that became apparent after the parties completed the exchange of mandatory final offers.

Example—

Suppose that a claimant's medical condition suddenly and unexpectedly deteriorates after the date of the final offers and the court makes a much higher award of damages than would have been reasonably expected at that time. In that case, the court may ignore the mandatory final offers and award costs on the basis of later offers of settlement.

57 Alteration of period of limitation

- |
- |
- (1) If notice of a ~~motor vehicle accident~~ claim is given under division 3, or an application for leave to bring a proceeding based on a ~~motor vehicle accident~~ claim is made under division 3, before the end of the period of limitation applying to the claim, the claimant may bring a proceeding in court based on the claim even though the period of limitation has ended.
- (2) However, the proceeding may only be brought after the end of the period of limitation if it is brought within—

subsection (2) had been applied, the person liable to pay the damages may recover from the claimant the amount by which the amount of the damages exceeds the amount that would have been recovered if the action had been brought in Queensland.

Division 7 Insurer's rights of recourse

58 Insurer's rights of recourse

(1) If—

- (a) personal injury arises out of a motor vehicle accident; and
- (b) the insured person was at the relevant time using the motor vehicle without the owner's authority, without lawful justification or excuse, and without reasonable grounds to believe that the insured person had the owner's authority, or lawful justification or excuse, for using the motor vehicle;

the insurer may recover, as a debt, from the insured person any costs reasonably incurred by the insurer on a claim for the personal injury.

(2) If—

- (a) personal injury arises out of a motor vehicle accident; and
- (b) the insured person intended to injure the claimant or some other person;

the insurer may recover, as a debt, from the insured person any costs reasonably incurred by the insurer on a claim for the personal injury.

(3) If—

- (a) personal injury arises out of a motor vehicle accident; and

- (b) the insured person was, at the time of the accident, the driver of the motor vehicle; and
- (c) the insured person was, at the time of the accident, unable to exercise effective control of the motor vehicle because of the consumption of—
 - (i) alcohol; or
 - (ii) a non-medicinal drug or a combination of non-medicinal drugs; or
 - (iii) a combination of alcohol and a non-medicinal drug or non-medicinal drugs;

the insurer may recover, as a debt, from the insured person any costs reasonably incurred by the insurer on a claim for personal injury that are reasonably attributable to the insured person's inability to exercise effective control of the motor vehicle.

- (4) If—
 - (a) personal injury arises out of a motor vehicle accident; and
 - (b) the motor vehicle accident giving rise to the injury is attributable in whole or in part to a defect in the motor vehicle; and
 - (c) the defect arose from the wrongful act or omission of the manufacturer or a person who carries on a business of repairing motor vehicles;

the insurer may recover, as a debt, from the manufacturer or repairer the proportion of the costs reasonably incurred by the insurer on a claim for the personal injury that reasonably reflects the degree of the manufacturer's or repairer's responsibility for the accident.

- (5) However, it is a defence for the manufacturer or repairer to prove that the driver of the motor vehicle drove it with knowledge of the defect and its likely effect.

- (6) An action by an insurer under this section may be brought separately or by way of third-party proceeding.

59 Recovery in case of fraud

- (1) An insurer may recover from a claimant or other person who defrauds or attempts to defraud the insurer on a ~~motor vehicle accident~~ claim any costs reasonably incurred by the insurer because of the fraud.
- (2) In subsection (1)—
insurer includes the Nominal Defendant.

60 Nominal Defendant's rights of recourse for uninsured vehicles

- (1) If personal injury arises out of a motor vehicle accident involving an uninsured vehicle, the Nominal Defendant may recover, as a debt, from the owner or driver of the vehicle (or both) any costs reasonably incurred by the Nominal Defendant on a claim for the personal injury.
- (2) It is a defence to an action by the Nominal Defendant under this section—
- (a) as far as recovery is sought against the owner—for the owner to prove—
- (i) that the motor vehicle was driven without the owner's authority; or
- (ii) that the owner believed on reasonable grounds that the motor vehicle was insured; and
- (b) as far as recovery is sought against the driver—for the driver to prove that the driver believed on reasonable grounds that the driver had the owner's consent to drive the motor vehicle and that the motor vehicle was insured.
- (3) The Nominal Defendant may bring a proceeding for recovery of costs under this section before the costs have been actually

paid in full and, in that case, a judgment for recovery of costs may provide that, as far as the costs have not been actually paid, the right to recover the costs is contingent on payment.

- (4) This section does not affect rights of recovery that the Nominal Defendant may have, apart from this section, against the insured person.

60A Access to information etc.

The Nominal Defendant is entitled to have access to information and materials in the possession of any department, agency or instrumentality of the State or any local government that may be relevant to the recovery of amounts the Nominal Defendant is entitled to recover under this part.

61 Nominal Defendant's rights of recourse against insurer

- (1) If an insurer becomes insolvent, any costs reasonably incurred by the Nominal Defendant on claims under CTP insurance policies for which the insolvent insurer was the insurer become debts of the insolvent insurer to the Nominal Defendant and provable in the insolvency.
- (2) The debts of the insolvent insurer that arise under subsection (1) have the same order of priority in the winding-up of the insolvent insurer as if the Nominal Defendant were the insured person under policies of insurance issued by the insolvent insurer.
- (3) If the claim for which costs were incurred by the Nominal Defendant is covered by a contract of reinsurance, the Nominal Defendant succeeds to the rights of the insolvent insurer under the contract of reinsurance.

Division 8 **Changes to claim process if
insurance agency is contributor****61A** **Claim process if insurance agency liable to contribute**

- (1) This section applies in relation to a claim if the insurance agency is liable, under the National Injury Act, section 42, to contribute to the insurer's liability on the claim for treatment, care and support damages.
- (2) The insurer and the insurance agency must, in dealing with the claim—
 - (a) cooperate with each other; and
 - (b) provide each other with information in their possession relevant to the claim, including any documents given to the claimant.
- (3) To the extent any of the following documents relate to, or potentially affect, liability for treatment, care and support damages, the insurer and the insurance agency must agree about the content of the document before the document is given by the insurer to the claimant—
 - (a) a notice given by the insurer under section 41(1)(b);
 - (b) an offer made by the insurer;
 - (c) a notice given by the insurer accepting or rejecting an offer made by the claimant.
- (4) Subsection (5) applies if a document stated in subsection (3) is given by the insurer before the insurance agency becomes liable, under the National Injury Act, section 42, to contribute towards the insurer's liability.
- (5) The insurance agency is not bound by the document.
- (6) For division 5A, other than section 51C—
 - (a) a reference in the division to—
 - (i) the parties includes a reference to the insurance agency; and

- (ii) either party is a reference to any of the parties; and
 - (iii) both parties or each party is a reference to all of the parties; and
- (b) a person authorised by the insurance agency to settle the claim on the agency's behalf is a conference participant.
- (7) If the claimant brings an action in the court for damages for personal injury, the insurance agency is a defendant to the action.
- (8) In this section—
offer includes a counter offer or mandatory final offer.
treatment, care and support damages see the National Injury Act, schedule 1.

Division 9 Obligation to provide information to insurance agency

61B Giving insurance agency notice about particular matters

- (1) This section applies if—
 - (a) a claim is made against an insurer for personal injury; and
 - (b) either of the following applies—
 - (i) the claimant is a participant in the injury insurance scheme in relation to the injury;
 - (ii) an application has been made under the National Injury Act for approval for the claimant to participate in the scheme in relation to the injury.
- (2) The insurer must give the insurance agency written notice of the claim.
- (3) Also, the insurer must give the insurance agency written notice of any of the following events in relation to the claim—

-
- (a) the giving of a notice to the claimant under section 39;
 - (b) the giving of a notice to the claimant under section 41(1)(b);
 - (c) the settlement of the claim by agreement between the claimant and the insurer;
 - (d) a court judgment being given on an action for damages in relation to the claim;
 - (e) the claimant withdrawing the claim or being prevented from proceeding with the claim.
- (4) However, the insurer is not required to give the insurance agency written notice of an event stated in subsection (3) if—
- (a) the event happens after the claimant stops being a participant; or
 - (b) the event happens after the application for approval to participate in the injury insurance scheme is refused; or
 - (c) when the event happens, the insurance agency is liable, under the National Injury Act, section 42, to contribute to the claim.

Part 5 Licensed insurers

Division 1 Licensing of insurers

62 Application for licence

- (1) A body corporate carrying on the business of general insurance in Queensland may apply to the commission for a licence under this part.
- (2) The application—
 - (a) must be made in writing; and

- (b) must be accompanied by the information and materials that may be required by regulation.
- (3) The applicant must provide the commission with the further information or materials that the commission may require to decide the application.
- (4) The commission may, for example, require the applicant to provide—
 - (a) particulars of shareholders, directors, managers and staff; and
 - (b) copies of returns and accounts that the applicant is required by law to prepare; and
 - (c) particulars of reinsurance arrangements to which the applicant is a party.
- (5) If an application is made for a licence and, before a licence is granted, there is a change in the matters of which particulars are required in the application, or in the matters contained in a document the applicant is required to give, the body corporate must, within 14 days after the change, give the commission written notice signed by a director giving particulars of the change.
- (6) A body corporate must not—
 - (a) make an application for a licence; or
 - (b) give to the commission a notice under subsection (5); that is false or misleading in a material particular.

- (1) The commission may, after considering an application for a licence—
 - (a) grant the licence (conditionally or unconditionally); or
 - (b) refuse the application.

-
- (2) In determining the application, the commission may take into consideration—
- (a) the suitability of the applicant; and
 - (b) the nature and extent of the applicant's experience in the business of general insurance; and
 - (c) the applicant's paid-up share capital and reserves; and
 - (d) any reinsurance arrangements to which the applicant is a party; and
 - (e) the likely effect on the statutory scheme of licensing the applicant; and
 - (f) any other factors the commission considers relevant.
- (3) A licence may be granted only if the commission is satisfied that—
- (a) the applicant has enough financial resources to carry on business as a licensed insurer; and
 - (b) the applicant has adequately experienced staff available in Queensland to administer personal injury claims under the CTP insurance scheme; and
 - (c) the applicant is in all other respects an appropriate person to hold a licence; and
 - (d) licensing the applicant would not adversely affect the efficiency and effectiveness of the statutory insurance scheme.
- (4) A licence must not be granted until the insurer has executed the industry deed.
- (5) Notice of the grant of a licence under this part, specifying the date on which the licence takes effect, must be given in the gazette.

64 Conditions of licence

- (1) A licence is subject to conditions prescribed by regulation.

- (2) A licence may be granted subject to other conditions that the commission considers appropriate and specifies in the licence.
- (4) The commission may, by written notice given to a licensed insurer—
 - (a) impose conditions or further conditions to which the licence is to be subject; or
 - (b) amend or repeal conditions previously imposed.
- (5) A condition can not be imposed to give a particular advantage over other licensed insurers.
- (6) A licensed insurer must not contravene a condition of the licence.
Maximum penalty—~~150~~300 penalty units.
- (7) A court by which a licensed insurer is convicted of an offence against subsection (6) may, by order, withdraw the licence.

- (f) regulate in any other way the conduct of insurance business under the statutory insurance scheme.

66 Withdrawal or suspension of licence

- (1) The commission may, by gazette notice, withdraw or suspend a licence if—
 - (a) the insurer asks the commission to withdraw or suspend the licence; or
 - (b) the insurer contravenes this Act, a condition of the licence or the industry deed; or
 - (c) there is some other reason justifying withdrawal or suspension of the licence.
- (1A) A request by an insurer under subsection (1)(a) must be given in writing to the commission at least 3 months before the day the licence is to be withdrawn or suspended.
- (2) At least 14 days before the withdrawal or suspension of a licence takes effect, the commission must give the insurer written notice—
 - (a) stating the commission's intention to withdraw or suspend the licence; and
 - (b) stating the date on which the withdrawal or suspension will take effect; and
 - (c) stating the reason for the proposed withdrawal or suspension of the licence.
- (3) The commission must give a copy of the notice to transport administration.

67 Effect of withdrawal or suspension on existing liabilities etc.

- (1) The withdrawal or suspension of a licence does not affect liabilities that had been incurred, or had accrued, before the day of withdrawal or suspension, nor does it affect the insurer's liabilities under CTP insurance policies that came into force before the day of the withdrawal or suspension.
- (2) An insurer whose licence has been withdrawn, or is under suspension, is subject to this Act and the industry deed in the same way and to the same extent as a licensed insurer until all the insurer's liabilities for CTP insurance business have been fully satisfied.
- (3) If an insurer whose licence has been withdrawn, or is under suspension, is selected or re-selected to be the insurer under a CTP insurance policy, some other insurer decided under subsection (5) or (6) is to be the insurer under the insurance policy.
- (4) The commission—
 - (a) must consult with the remaining licensed insurers about their capacity to underwrite the CTP insurance policies; and
 - (b) may consult with any insurer the commission considers appropriate for the purpose of the insurer becoming a licensed insurer; and
 - (c) must have regard to the results of any consultation with APRA relevant to the matter.
- (5) Subject to subsection (6), transport administration must randomly allocate the CTP insurance policies to the remaining licensed insurers in proportion to their shares of the market for CTP insurance.
- (6) Subsection (5) does not apply, and transport administration must allocate the CTP insurance policies as decided by the commission, if—

-
- (a) the commission decides that the remaining licensed insurers do not have the capacity the commission considers appropriate to underwrite the CTP insurance policies that would be randomly allocated to them under subsection (5); or
 - (b) an insurer mentioned in subsection (4)(b) becomes a licensed insurer.
- (7) Subsections (3), (5) and (6) are subject to section 67A.
- (8) This section is subject to the following qualifications where a licence is withdrawn on the transfer, or because of the transfer, of CTP insurance business under part 3, division 5—
- (a) if the transferor's entire CTP business is transferred—this section does not apply to the withdrawal of the licence;
 - (b) if part of the transferor's CTP business is transferred—this section applies to the withdrawal subject to section 30(4).
- (9) In this section—
- APRA* means the Australian Prudential Regulation Authority established under the *Australian Prudential Regulation Authority Act 1998* (Cwlth).

67A When State may underwrite CTP insurance policies

- (1) This section applies if—
- (a) an insurer's licence is withdrawn or suspended; and
 - (b) the commission considers CTP insurance policies of the insurer can not be appropriately allocated to another insurer under section 67(5) or (6), including for example, if the commission considers—
 - (i) there is no insurer with appropriate capacity to underwrite the policies; or
 - (ii) the circumstances are urgent.

- (2) The commission may request the Minister to authorise the State to underwrite the CTP insurance policies.
- (3) The commission must provide the Minister with the information and the recommendations on matters decided by the Minister.
- (4) The Minister may authorise the State to underwrite the policies starting from a day stated by the Minister, including from a day before the Minister authorises the underwriting.
- (5) The State becomes the insurer underwriting the policies from the day stated by the Minister.
- (6) If the State becomes an insurer under subsection (5), a regulation may make provision for the State to, under section 21—
 - (a) become an insurer of a motor vehicle, even if, in a particular case, the State is not the insurer of the motor vehicle under subsection (4); or
 - (b) stop being the insurer of a motor vehicle.
- (7) For subsections (5) and (6), this Act, other than the following provisions, applies to the State—

- (a) to modify the way an insurer's premiums are fixed under sections 13 and 13A if the State is the insurer; or
 - (b) to exempt the State from compliance with section 22.
- (10) A regulation may provide for anything necessary or convenient relating to the transfer to the State of CTP insurance business from the old insurer, including for example the following—
- (a) the transfer of some or all of the rights and liabilities of the old insurer relating to CTP insurance policies transferred to the State;
 - (b) continuing or further obligations of the old insurer relating to the transferred CTP insurance policies;
 - (c) the payment of amounts into or out of any fund controlled by the State that relates to insurance provided for or by the State.

- (11) In this section—

applied provision means a provision of this Act applied to the State under subsection (7).

old insurer means the insurer whose licence is withdrawn or under suspension.

68 Review of the commission's decisions by QCAT

- (1) An insurer may apply, as provided under the QCAT Act, to QCAT for a review of a decision by the commission to withdraw or suspend the insurer's licence.
- (2) For a proceeding of QCAT for a review under this section, QCAT must be constituted by at least 1 judicial member who is a Supreme Court judge.
- (3) If QCAT changes or reverses the commission's decision, the commission must publish notice of QCAT's decision in the gazette.
- (4) In this section—

judicial member see the QCAT Act, schedule 3.

Division 2 Supervision of licensed insurers

69 Business plans of licensed insurers

- (1) A licensed insurer must prepare and give to the commission a business plan for its compulsory third-party insurance business.

- (3) The licensed insurer must revise its business plan whenever it departs significantly from the plan and at the regular intervals that the commission directs by written notice.
- (4) The licensed insurer must, as far as practicable, conduct its compulsory third-party insurance business in accordance with its current business plan.
- (5) If the insurer departs significantly from the business plan, it must notify the commission of the departure within 2 months after it happens.
- (6) A business plan—
 - (a) must describe how the insurer's compulsory third-party business is to be conducted (including marketing, claims handling, the provision of rehabilitation, the keeping of records, systems management and control of costs); and
 - (b) must be prepared in accordance with the written guidelines issued by the commission and notified to licensed insurers.

70 Accounts and returns of licensed insurers

- (1) A licensed insurer must keep the accounting and other records about its business, and its financial position, that may be required by this Act or the industry deed.

-
- (2) The regulations may prescribe accounting or other standards with which the records must comply.

 - (b) a liquidator, receiver or receiver and manager of property of the insurer or a related body corporate is appointed; or
 - (c) the insurer or a related body corporate resolves to be wound up; or

- (4) The consent may provide consent for re-entry and is subject to the conditions of consent.
- (5) If the power to enter is under a warrant, the power is subject to the terms of the warrant.
- (6) If the power to re-enter is under a warrant, the re-entry is subject to the terms of the warrant.

Not authorised—indicative only
